The Break

The South.

"Before Ht. Mark still glow his steeds of brass. Their gilded collars glittering in the sun: But is not Dorin's menace come to pass? Are they not bridled? Vestee, lest and won, Her thirteen hundred years of freedom done, Sinks, like see-weed, into whence she rose ! Better be whelm'd beneath the waves, and shun, Even in destruction's depth, ber foreign fore, From whom submission wrings an infamous report.

Foreign Details.

Political Articles from the European Press. [From the Lundon Times, June 19.] We have had of late little to remark upon it the news of the American campaign. Probably there pever was a war in which the impatience of the world did not outstrip the marches of the General. When Napoleon overthrew the armies of who have denounced them as rebels, and even terrets. the other hand, the flight of the slaves in the inraded parts of Virginia is spoken of as likely to ! become a "stampede" -- a word which the Americans have burrowed from their prairies, and applied most expressively to a general rush of negroes

from slavery. But all this, though important to the result, is not war as the military man understands it .-Great political or social changes may be in progress while the two parties stand face to face preparing for the fight. The event of a conflict may he decided before a shot is fired, and in Virginia it is quite probable that the disposition of the Federal truops, their number, and the rapidity of their movements, may have decided the struggle, piece goods rather more business has been done on although only a colonel and a few rank and file bare us set iven killed. And the comprise has not yet begun, and it is difficult to say when it will

SECOND EDITION, BY R. A. POLLARD, of VA. Crimited by consurrantive presses, North and South, as "the and book" ever just taked on the finelety of the Routh Your Hundred Copies subscribed for by bouthern Membere of TREAD THE OPINIONS OF THE PERSS. Remarkably free from sectional prejudice and acerta's, and, in truck, contains sketches that are associate the most catholic, and tolerant, and genial we ever but incarein to peruer. How appreciative, how loving how tender and aymin bette the author to in delineations we will let a few extracts show .- New the many jewels to their way-black by the entired, but bell | 1200EWALD & SINDALL, landy lightenme in it. It is a little mine full of promised dia. monds - New York News Rabid abolition bets and prejudiced foreigners should read this book - New York Berold. Defending "the institution" more than all argument from the

Beard the of Ignorance or prejudice - De Ber's Review. Must have exected much good in free labor regions. It will be read with interest at the South also - Mobile Register. The nutber is semetimes a philosopher, sometimes a poet, and in every character readule - New Yorker. As exceedingly interesting volume, quite in a new and unaf fected style .- Militimore Sun BF-The remainder of the very large edition of this remarks ble book, which is particularly interesting as bearing directly upon present topics of excitement, will be sold in Baltimore and the Bould, by direction of the author, at 36 cents a volume, (the publisher's price in New York bring 75 cents.)

For mid by

HENRY TATLOR. Run from Building. TRVING COLLEGE, MANCHESTER, CARROLL I COUNTY, MD .- The FURNIR HISSION of this Institution will commence on THURNDAY, May 234, instead of May 16th, as beretofore announced, for which a proportionable reduction will be made. Patrous are exceedy required to have the children presented premptly at that time
