Under these circumstances, abroad and at home, Fortress guns, the war lutteries, and the ships of markably well. As far as known, the casualties Yorktown. There are several of the French-Ameri-

vision at Manasses.

The cotton planters are rapidly taking up the Consederate loan. The plan is, that the planter sells his cotton to the Government, taking in return the bonds of the Confederate States, (which) | bonds, bearing interest, will pass as currency.)-The Government, will rell the cutton to Europe for specie. This will give the Secretary of the Treasury at least \$250,000,000 to carry on the war. All over the South the planters are subscribing. and the plan is regarded as a grand success.

Charleston is beginning to profit by the war i a literary way. Three new papers have just been started, viz: a German daily, called the German Post: The Portfolio, a weekly literary journal. and the Southern Lutheron, a weekly organ of that denomination in the South. De Box's Review is ! of now published here, the publication office having !
