

The South.

HABES CORPUS.

"Next to personal security," says Mr. Justice Blackstone, "the law of England regards the liberty of individuals, and preserves the personal liberty of individuals."

"The Habeas Corpus Act," says Mr. Justice Blackstone, "is the great charter of the rights of the subject, and the main pillar of the British constitution."

"The Habeas Corpus Act," says Mr. Justice Blackstone, "is the great charter of the rights of the subject, and the main pillar of the British constitution."

happens? I would rather, infinitely, and I am sure

Upon the whole it has been the policy of the British authority to oblige us to supply our wants at their market, which is the dearest in the world, and to crush and confine our trade as to be subservient to their commerce.

Deaths at the Boston Navy Yard. Boston, July 10.—Two deaths occurred at the Navy Yard, yesterday, from sun stroke, and one in the city.
