The Hong Kong Reporter of the 6th of June says: "From Canton we are informed a rumor is prevalent there amongst the Chinese that there are 10,000 rebels in the city ready to take it whenever the foreign troops leave." Revolution in Missouri.

JEFFERSON CITY. July 29.—The report of the State Treasurer, in accordance with the instructions of the Convention, was made this morning. The amount of money in the Treasury on the 24th of July, was a little over \$57,000. The disburses ments since the adjournment of the last ression of the Legislature have been over \$600,000. Birch offered a resolution that there was no excuse leither in the present or future condition of the State, for default of payment of the interest on the State debt, and that it is pre-eminently her duty to pay it. After a fively discussion, several substitutes were offered, when the matter was referred to

a committee of five. July 30 .- The Convention has declared vacant be Secretary of State. The seats of the members of I the General Assembly have also been declared vacated, and the Convention adopted without material alteration the report of the Committee of Eight. The Convention will to day appoint a Provisional

The New York papers say the battle in Western Virginia was at Bulltown. This is a small place in Braxton county, and if any conflict occurred there, it must have been with the small Virginia force under Gov. Wise's son, and could not have teen a fight of magnitude. The New York papers say the report is dubious.

The Herald says editorially :---We learn that there is an extraordinay movement now going forward in Wall street in reference to the late disaster at Bull Run and the general mismanagement of the war. There have been several secret unetings, at which the doings of the government and its agents have been freely discussed, and if members of the Cabinet only
