A gentleman who has just returned from an extended tour through Virginia and North Carolina, a reports the whole Southern country in a blaze of excitement. Many delays and a great deal of inconvenience were experienced in travelling, is consequence of all the trains coming North being 1 filled with troops, and increased facilities being required for their transportation. At Wilming-1 ton, Goldsboro, Weldon, and Petersburg, were i large bodies of soldiers en route for the seat of war, while numbers were arriving at Richmond daily from Lynchburg and the South-west. The recent , Act of Courtess, authorizing an increase of the army to 10 : 000 men, was passed for the purpose, of enabling the President to accept these troops, whose eagerness for the fray would brook no denial, and whose numbers largely exceeded the) limit prescribed by previous acts. The material is represented as being of the very best descripe. tion-mostly young men, hardy, vigorous, inured to hardships and accustomed to the use of arms. and above all endued with that spirit of valor and patriotism, which makes such soldiers invin-

shipments are intended ultimately to find their way to the Southern coast. For some months the trade between New York. and the port of Nassau. New Providence, has I been growing continually larger. Our exports thither, which have been trifling in other years, are now great, and the cargoes shipped thither in , one week would suffice to supply the island for a l

year. The same is true of St. Thomas. From Halifax and St. Johns it is believed that tressels strike generally for Newbern, Beaufort, Cape Fear, and the Ocracoke Inlet of Pamlico

More General Officers Appointed. The President has adjointed the following and ditional general officers for the volunteer force: Brigadier General David Hunter, (Colonel '. A.,) to be a Major General of volunteers.

Lt. Col. H. Stoneman, (U. S. Caralty,) to be a Brigadier General of volunteers. Major W. T. Smith, (Topographical Engineer: to be a Brigadier General of volunteers.
