Officers of the flotilla state that, from Alexan-Capt. Johnson, from the neighborhood of Fort dria to the Rappahannock river -- distance of nearly 150 miles-not a soul is visible on the Virginia shore, the whole country hearing the mark WHAT A NORTHERN CORRESPONDENT SAW FROM Of desolation. No horses, cattle, or animals of had been devastated by a pestilence.

From the upper Potomac there is no news of moment. A correspondent of The Star writes from Conrad's Ferry-under date of Sept. 2:-CONRAD'S FERRY, Montgomery county, Md.,

timore endeavored to get across the river from this through her, when they paddled back to this bank of any movements on the part of the enemy in

THE CONDITION ON KENTUCKY .- Stirring events will soon take place in Kentucky, but a leader is wanted there. A general desire is expressed that Mr. Holt will immediately return and place himself at the head of the Union movement, with the commission of Major-General, or any other commission that may suit him. Prominent Kentuckians now in Washington, owners of large numbers of slaves, are jubilant over Fremont's Proclamation and its probable effects in Missouri and Ken-
