Not only We copy from The Daily News of yesterday the an asserters of our own rights and liberties as a I which we live, we feel called upon to remonstrate ; but in some instances expressly denied by it; usurpations, many of which are not denied, and ex-

I nied by violations of the rights of citizens which

characterize them as acts of tyrannr not to be submitted to by any people who would preserve their , liberties. In defiance of express provisions of the Constitution, persons at points remote from the out-harge for tustion or banks. For a catalogue apply to seat of war, and where no nevesity could be alseverely upon the conduct of the Administration, imprisoned for indefinite periods in fortieses, far they had a right so to do in a Republic, where it from their homes and the districts where, if anyhas been our most cherished boast that the acts of where, their crimes have been committed, and reour rulers are open to the freest scrutiny. In fact, fused the privilege of the writ of habens corpus to ) the right of examining the characters of our publinquire into the causes of their imprisonment. lic servants, and commenting freely upon their Public officers, holding office in conformity with Gen. Lana, who commands the Spanish troops | public conduct, is the sentinel standing at the | the Constitution and Laws of their States, have ers substituted in their places. But the last, most daring and most dangerous of these usurpations and tyrannies, is the attack which has been made
