The wife of Colonel Pinckney is distinguished as] one of those beroic and self-sacrificing women of the revolution, "whose intrepidity and fortitude lent so h able a support to the cause of their country." An incident in her life is recorded in (iarden's interesting Anerdotes of the Revolution. "A British officer of rank once said to Mrs. l'inckney-'It is impossible not to admire the intrepid firmness of the ladies \ of your country. Had your men but half their esperience hath shown, that mankind are more dis- sensible of the precipice, or rather the pinnacle on resolution, we might give up the contest. America

"But in truth the cry of Dunmore did not rouse h "among the Africans a passion for freedom. To them bondage in Virginia was not a lower condi-"tion of being than their former one; they had no "regrets for ancient privileges lost; their memo-"ries prompted no demand for political changes; "no struggling aspirations of their own had invited Dunmore's interposition; no memorial of their grievances had preceded his offices."-Bancroft's 1 1/. S., vol. 8, p. 225-year 1775.

"When Washington learned the fate of the rich "emporium of his own 'country,' for so he called "Virginia, his breast heaved with waves of anger "and grief; 'I hope,' said be, 'this and the threat-"ened devastation of other places will unite the ap 22 43m " whole country in one indissoluble bond against a \ "Ination which seems lost to every sense of virtue " and those feelings which distinguish a civilized | "people from the most barbarous savages." -Bancroft U. S., 8 col., 232-Burning of Norfolk.

"Yet the majority of Congress, scrupulous not to outrun the convictions and sympathies of their constituents, and pleasing themselves by confiding "ing in the speedy restoration of peace, not only 'made no adequate preparations for resistance, but would not even consent to relieve the states from t 'anarchy by sanctioning the institution of Governments in the several colonies. The hesitancy of 'so many members, especially of Dickinson, in-"censed John Adams, who maintained that the " fifty or sixty men composing Congress should at "once form a constitution for a great empire, provide for its defence, and, in that safe attitude, 'await the decision of the King. His letters to "New England, arowing these opinions, were intercepted; and so little were the central colonies | ableterma, nest and expeditions. prepared for the bold advice, they were published "by the royalists as the surest way of destroying bis influence, and beaping obloquy on his name. Bancroft U. S., 8 vol., 65-year 1775.

"The people of Maryland, happier than that of Pennsylvania, escaped intestine dissensions and insured unanimity, by passing over the proprietary government, and intrusting the conduct of resist ance to a series of conventions. The prudent, the | slow, the hesitating were allowed an influence; but | from the first, all parties acquiesced in the principle of deriving all power from the people; and the province, however its movement was sometimes retarded, proceeded courageously in an unbroken line. In November, 1774, it adhered to the association, adopted in the general Congress, and its patriotism was confirmed by the austerity of religious zeal. At an adjourned session in December, the Maryland convention, fifty-five members being pre-| sent from sixteen counties, resolved unanimously to resist to the utmost of their power, taxation by Parliament, or the enforcement of the penal acts against . Massachusetts. To this end they roted with equal unanimity a well regulated militia, to be composed of all the freemen of the colony, between fifteen and
