AMERICAN YALOR.

An attempt has been made in European journals and by their correspondents, to reflect upon the courage of the American soldiers, on both sides, == , evidenced by their conduct in the battles which so far have been fought in the present war. We ; think that a reference to history will show that in thebloodiest and most fiercely contested conflicts fought in Europe by disciplined armies since the beginning of the present century,) the loss of life was not greater, in proportion to the forces engaged, than that sustained by rebel camps and in rebel fortificatious shall the American armies on both sides in the late forseited by their owners.
