## WAR MOVEMENTS.

FROM MISSOURI. The intelligence from Miscouri this morning is goes, marched off to Richmond. indicative of important military operations, Gen. Fremont having taken the field in person. Gen. Prentiss is reported to be surrounded at Brookfield, and in imminent danger of capture by the Confederates. Bruokfield is a little town on the St. Joseph and Hannibal railroad, about 30 miles North of the Missouri river, and half way between Hudson and Chillicothe. We annex the follow-

ing despatches concerning the surrender of Mulli-

gan, and other military matters : HUDSON, Mo., September 23 .- The following account of the siege of Lexington is furnished to the St. Louis Republican, by Henry Bradburn, one of Colonel Mulligan's soldiers, who left Lexington on

stated. The supply of water was entirely from the river. There were breastworks all around the camp. with the exception of the portion next the river. It was here that the hardest fighting took place. The rebels procured a large number of hemp bales and rolled them in advance, and under their cover gradually succeeding in securing a position in the rear. They then cut off the supply of water and had close their business hours at 4 o'clock every after strengthen at the fort completely surrounded.
They made but few charges upon the breastworks during the entire siege. Their object seemed to be to surround the fort and cut off the supdy of water. llaving succeeded in this, they awaited until

Col. Mulligan was compelled to yield. Previous to his surrender he offered to take a position on a level spot of ground and give Gen. Price the odds of four to one in a fair and open fight, but no attention was paid to it. After the surrender the Confederates mounted the breastworks, mad with joy, and trailed th gold, supposed to be a quarter of a million, fell J. Wood, E. H. Taylor and John B. Te into the pussession of the victors. It had previously been buried by Colonel M., but was un- Committee on Federal Relations, as carthed by the Confederates. The Colonel wept like a child when he found General Buckner has been mad himself compelled to surrender. The morning action, advice or recommend on their purole and ferried across the river.

The loss of the Confederates is not known. tipprehensions as to the Hafety of General Curcago, Sept. 24.—A special desputch to the and under what Tribune, dated Quincy, 2.30 P. M., says that Gen. Assembly have Prentiss started pest yesterday, and he is now rodshurg. west of Brookfield and his communication cut off by the Confederates, supposed to be a part of Gen. Price's forces. Great tears are entertained that he

will be captured. Reports are rife that a body of three thousand Confederates are marching sephs, and an attack is expected St. Louis, Sept. 23.-Majorleaves this point to-day, with cent away and those who are at Ch Among the prisoners are two men be
