J. M. MILLS &

▼VOI. I.—NO. 13.

FROM WESTERN VIRGINIA.

thirteen regiments, and a detachment of one effort to destroy the army of Price.

the expedition. The Confederate camp was time ! revered, as also the position. Our troops burned Marshall's store and a small i grist mill on their return.

The Richmond Dispotch of the 21st ultimo, South. has the following from Western Virginia, which, a although not as late as by way of Cincinnati, is interesting, coming as it does from a Southern)

The strength of the enemy in Western Virginia i is believed to be between forty and fifty thousand. There arefner under Gen. Reynolds, in and about Randolph county, about twenty-five thousand General Cox had between six and seven thousand to that of Gen. Buckner. in the Kanawha Valley, and General Reserrant is said to have fifteen thousand-kome any eleven to large number of Kentuckians are flocking to Buck twelve thousand. Thus, there are certainly not ner's standard," and requests ample provision less than forty, and there may be nearly fifty be made for those who are destitute of arms, &c. thousand of the enemy's forces operating in West-

ern Virginia. Generals Lee and Loring have a superior force) laboring under the disadvantage of a considerable rolunteers, in accordance with Gen. Johnston's Hawas to cope with, and Generals Floyd and Wise are disparity of numbers. We understand that sev- requisition. eral regiments have been ordered from Lynchburg to relaforce our army beyond Lewisburg; and that a wonderful influx of Tennesseeans into New Orstill further forces will be sent forward to this leans since the passage of the sequestration act,

same destination very promptly. The news brought down by the Central train ern States.

" the Wilderness road to ceadow of the former by over \$50,000. movement of General Rose and be Tried, we may expect to hear of airthat difection in a few days.

Lagairs in Western Virginia, after

· than five thousand! The Disputed thus describes the Federal fort on | the Sawyer pattern.

Cheat Mountain:

Mountain, in Randolph county, just where the food-crosses upon a bill which has no level land road-crosses upon a bill which has no level land was of a fine finish, showing that the Confeder-plaint from Mr. Gerard Hallock, the editor and present state of affairs in Italy, and into the mass of a fine finish, showing that the Confeder-plaint from Mr. Gerard Hallock, the editor and present state of affairs in Italy, and into the mass of a fine finish, showing that the Confeder-plaint from Mr. Gerard Hallock, the editor and present state of affairs in Italy, and into the present state of affairs in Ital dpon its top, but suddenly descends on both sides. The forest along the road at this point, as for many miles of the adjacent country, consists of "the white pine, which are tall and stand close to gether, while the undergrowth is almost wholly mountain laurel, so dense and interlocked as to be almost impeactrable. Here the enemy cleated) several acres on each side of the road.

On the outer boundary they placed the tall pines a they had cut down, partially trummed and skinned, with their tops outward; presenting to any one approaching a mass of sharp points raised to a considerable height and strongly interlocked .-Inside of this they built a wall of logs and cut a - deep ditch. In the road they built up, in line with the fortification, breastworks of great strength. and mounted them with pivot guns, while in the centre they erected a block-house, pierced and armed also with cannon. On the cast side from) the fort to Chest river, one mile and a quarter ligtance on both sides, and this can be all the way swept by the cannon. The same is the case i

on the road westwardly for some distance. Mountain, while it is cheditable to the ingenuity paraded a few days ago for the purpose of having) of the enemy, it induces a very earnest regret that | guns issued to them.
