BY MAIL AND TELEGRAPH.

FROM WASHINGTON. The Washington correspondents of the North-

The most absurd rumors are current this morning about the doings of the Confederate hatteries on the Potomac. They are said to have sunk several vessels since yesterday morning, but we have beard of no disaster except the sinking of an oyster hoat, the crew of which escaped to the Maryland shore. One of the batteries, which has been unmasked by the felling of trees, is reported to be three-quarters of a mile long. Three or four CATTLE. The offerings at the State Scales to of our small war vessels, however, have passed day footed up 600 head, being 100 more than last | down safely, after exchanging a few shots. From market day. The market to-day was rather beary, Quantico Creek to Choppawhomico Creek there but prices show no material change. Of the above appears to be a continuous line of batteries for

Colonel Thomas, Quartermaster, and George Hose. There was a full supply of Live Hogs in Plumley Smith will leave immediately for Europe the pens to-day, and prices show a decline of 25 with certe blacche, to buy winter clothing and

The two thought it almost time that the Government of hodies left were recovered to-day, and buried at | England and France thought of recognizing the From the Lower Potomac.

Washington, Oct. 17.-The steamer Mount Vernon, Capt. McShell, came up last night. Some twenty shots were fired at her from the butteries and near Shipping Point, but none struck her. Capt. Mitchell reports that some thirty or forty object. ressels bound up with Government stores, and merchant vessels with coal and oysters are lying at Smith's Point afraid to attempt passing the Confederate batteries near Shipping Point. There

are three batteries there mounting thirteen or more A battery has also just been opened at Quantico Hill, on the right bank of Quantico Creek, a short distance above Shipping Point. The other three are between Shipping Point and Evansport.

There is said to be also a battery at Timber Creek and one gun on the hill above Evansport When the Pawnee and Mount Vernon went down night before last, the Vount Vernon preceded the Pawnee, and the 400 marines aboutd were ordered to lay down on deck, two deep, in passing the enemy's batteries, which was done, and they thus escaped observation from the shore. Thirteen shots were fired at the Pawnee, six of which struck her, and one near her.

The Aquia Creek battery is now silent. The Algiers is at the Navy Yard taking in
