McClellan and Banks with his prize for New York. be had undergone.

addresed the tribunal as follows:

ble corporal. I will, however, state what I think I in the most "delicate" manner. of the prisoner. Some would dwell upon the fact that he is the father of three children; but I Archbishop delivered a highly interesting lecture hour which we write (eleven A. M.) and is no souri Regiment, and two pieces of artilleryf had a and he believed them. Then, having fallen in A crowded auditory assembled to hear the dislove, he married and settled in life. In th service he could not even have become a corporal; he wished to have children; he has them, and he finds the position of a husband and father more agreeable than that of a soldier. That is the whole matter. Under these circumstances Leclercq comes to you and says-'I really thought I was free, otherwise I should have returned to my regiment.'to his children." The Tribunal after a short deliberation, acquitted the prisoner, and the President gave orders for his immediate release.
