OLD FOGY DOCTRINES.

"We hold these truths to be self-evident, that all

whenever any form of government becomes destruc-

30 | ing to be preserved? I shall repeat here a senti-55 ment I have often had occasion to express. In my 70 opinion there is nothing worth fighting for but 105 | national honor: for, in the national honor is invol-

alike to all. Standing with unsandled feet upon fortunately, nothing will preserve it but downright We may see such an act in America. A standing motion of civil or religious freedom, but for the suthe hallowed ground of the Constitution, and force. WHENEVER YOU SIVE UP THAT FORCE, TOU army we shall have also, to exceute the executed premary of one part of the empire over another."-

which we stood, and had candor and courage roused by the bite of some animal on the palm of resolution, we might give up the contest. America enough to acknowledge it. America is in total ig. his hand. He closed his hand quickly as he awoke, would be invincible." -- American Eloquence, Vol. 1. NOTICE.—CHANGE OF DAYS TO assembly. To draw the characters of them all As he was examining the little animal which had would require a volume, and would now be con-On and after Saturday, September 29th, 1861, the sidered as a caricatured print. One-third Tories, cond time: he dropped it, and it escaped. Now, but to subdue the Americans by fear. The first

It was a maxim of the Roman people, which emineatly conduced to the greatness of that State, never to despair of the commonwealth. THE MAXIE MAY PROVE AN SALUTARY TO US NOW, AS IT DID TO THEM. Short sighted mortals see not the numerous links of over a single regiment in America or a single ship small and great events which form the chain on which the fate of kings and nations is suspended .- ] have often sunk a people into effeminacy and sloth. effectually disarm the colony; if he has a command Exec and prosperity, though pleasing for a day, The above steamers will call at all the usual land. Hardships and dangers, though we for ever strive of troops among us, even if we raise and pay them, to shun them, have frequently called forth such | shackles will be fixed upon us-witness freland and ) virtues as have commanded the applause and rever- her national army. The most express act of Par- ) ence of an admiring world. Our country loudly | liament cannot give us security, for acts of Parliacalls you to be circumspect, vigilant, active and ment are as easily repealed as made. Royal proclabrave. Perhaps, (all gracious heaven avert it,) mations are not to be depended upon, witness the perhaps the power of Britain, a nation great in disappointments of the inhabitants of Quebec and St. war, by some malignant influence, may be em. Augustine. Even a change of ministry will not ployed to enslave you; but let not even this dis- avail us, because, notwithstanding the rapid succourage you. Her arms, 'tis true, have filled the cession of ministers, for which the British Court world with terror; her troops have reaped the has been famous during the present reign, yet the laurels of the field; her fleets have rode triumphant same ruinous policy over continued to prevail against HANDY BOOK FOR THE UNITED STATES SOLDING on the sea; and when, or where, did you, my coun- America. In short, I think it my duty to declare, ) trymen, depart inglorious from the field of fight? | in the awful seat of justice and before Almighty | You, too, can show the trophics of your forefathers' God, that in my opinion the Americans can have victories and your own; can name the fortresses no safety but by the Divine favor, their own virtue, ) and battles you have won; and many of you count and their being so prudent as not to thave it in the honorable scars of wounds received, whilst THE POWER OF THE BRILLSH RULERS TO INJURE Warren, Boston, March 6th, 1775.

fuse to join with you in defending them to the last Great Britain and America, the latter being in subparts of the West; also with Lebanon Valley Railroad | is worthy of life, liberty or property, will or can reread for Kingat in and all parts of Wyoming Valley; at Sunbury actremity, disclaiming every sorded view, and the factor of the former. -- Chief Justice Decayton, Charge with Philadelphia and Rue Railroad for all parts of Northern actremity, disclaiming every sorded view, and the factor of the former. -- Chief Justice Decayton, Charge with Philadelphia and Rue Railroad for all parts of Northern actremity, disclaiming every sorded view, and the mean, paltry considerations of private interest and to the Grand Jury, Charleston, April 23, 1776. The 4 35 P. M. trum makes all the above connections except present emolument, when placed in competion with Valley Railrind The B.15 P. M. train makes connections with the liberties of millions; and, seeing that there is no the l'elempts when Railroad for all parts of the West, and direct alternative but absolute, unconditional submission, men born to freedom, he will not herstate about the | 25 Wolfe expressed it, a choice of difficulties. Too | and the most abject slavery, or a defence becoming t choice. Although superior force may, by the permission of Heaven, lay waste our towns and ravage our country, it can never eradicate from the breasts of freemen, those principles which are ingrafted in their very nature. Such men WILL DO THEIR DUTY, NEITHER ENOWING NOR REGARDING CONSEquascus; but submitting them, with humble confi-PHILADELPHIA | Quascus; but submitting them, with humble conniand Director of the fate of empires, and trusting On and after MONDAY, August 19th, Presenger Trains for | that his Almighty arm, which has been so signally Philade phin will leave PRESIDENT HTREET DEPOT daily | stretched out for our defence, will deliver them in a righteous cause .- John Rutledge, in the South Carolina Assembly, April 11th, 1776.

> Where are your checks in this government?-Your strongholds will be in the hands of your enemics. It is on the supposition that your American Governors shall be konest that all its good qualities struction puts it in their power to perpetrate the recorst of muchiefs should they be bud men. And, sir, would not all the world, from the Eastern to ; t the Western hemisphere, blame our distracted folly In resting our rights upon the contingency of our rulers being good or bad? Show me that age and | country where the rights and liberties of the peo-[ ple were placed on the sole chance of their rulers ] erty. I say that the loss of that dearest privilege WH T RICE, Captain. | has ever followed, with absolute certainty, any (such mad attempt, If your American chief be a ) man of ambition and abilities, how casy will it be T. C. S. PERSCHOR for him to render himself absolute! The army is in his hands, and, if he be a man of address, it will be attached to him; and it will be the subject of long meditation with him to seize the first auspicious moment to accomplish his design. And, sir, will the American spirit solely relieve you when this happened I would rather, infinitely, and I am sure ! most of this convention are of the same opinion, bare a king, lords and commons, than a govern ment so replete with such insupportable evils. If we make a king, we may prescribe the rules by which he shall rule his people, and interpose such checks as shall prevent him from infringing them: ) but the president in the field, at the head of hin army, can prescribe the terms on which he shall "made no adequate preparations for resistance, but reign master so far that it will puzzle any American ever to get his neck from under the galling yoke. cannot, with patience, think of this idea. It ever he violates the laws, one of two things will happen: The will come at the head of his army to carry. every thing before him; or, he will give bail, or do "hfty or sixty men composing Congress should at what Mr. Chief Justice will order him. If he be "once form a constitution for a great empire, pro guilty will not the recollection of his crimes teach | "vide for its defence, and, in that safe attitude, " and Thim to make one bold push for the American l throne? Will not the immense difference between ) being master of every thing, and being ignominilously tried and punished, powerfully excite him to

of his army, beat down every opposition? Away with your president, we shall have a king; WILL BOT AMOLUTE DESPOTISM ENSUE!—Patrick Henpowers from the consent of the governed; that, Try, in the Virginia Convention, June, 1788.

As to the history of the Revolution, my ideas may 87 light and transfert causes; and, accordingly, all in the course of fifteen years, before a drop of blood | fined to their houses after ten o'clock in the even-113 experience hath shown, that mankind are more dis- was drawn at Laxington. The records of thirteen ing; liable to be robbed without redress; ever ex-233 posed to suffer, while evils are sufferable, than to Legislatures, the pamphlets, newspapers, in all the posed to the malice of the soldiers, and chidden for 32 right themselves by abolishing the forms to which colonies, should be consulted during that period, tears as proofs of disloyalty. -- Beacroft's U. S., to ascertain the steps by which the public opinion | vol. 8, p. 42, year 1775. was enlightened and informed concerning the authority of l'arliament over the colonies. The Congross of 1774 resembled, in some respects, though I "emporium of his own 'country,' for so be called "100 such government, and to provide new guards for hope not in many, the Council of Nice in Ecclesias "Virginia, his breast heaved with waves of anger tical history. It assembled the priests, from the "and grief; 'I hope,' said he, 'this and the threateast and the west, the north and the south, who "east devastation of other places will unite the compared notes, engaged in discussions and de "whole country in one indissoluble bond against a bates, and formed results by one vote and by two " nation which seems lost to every sense of virtue votes which wall out to the world as unanimous. -- ) John Adams, Letter to Jefferson, August 14, 1815.

The honorable gentleman who presided, told us, ,122 red the national independence. I knew that a State | that to prevent abuses in our government we will and find itself in such unpropitious circumstances, amemble in convention, recall our delegated powthat prulence may force a wise government to conceal ers, and punish the servants for abusing the trust feel the complicated calamities of fire, sword and the sense of indignity. But the ensult should be en- reposed in them. Oh, sir, we should have fine famine.
