Shoepff, the Federal commander, before he could both ways. obtain reinforcements.

have already recognized as a proved and under- to be told that the boasted supremacy of the seas stood fact. The history of the success of nearly all the prominent business men of this country who have risen to affluence, demonstrates that h they have mounted the ladder of fortune by the aid of the Press, and that but for the judicious yet diloral use of their power, they might have remained the poor men they were at the start.

The New York Ledger, conducted by the notorious Bonner, who has amassed an immense fortune, possessed a literary character inferior to many of its rivals, but by a most prodigal expenditure in advertising, its proprietor has realized a the great fortune he now enjoys. The same may the said of hundreds of others in all branches of l business who have triumphed by the use of the i same powerful agency. Argument is therefore superfluous to convince any one who reads of the importance of this means of advancement.

This fact being conceded, we proposed to apply it to the present condition of things as relates to our bushiess men and to ourselves. The excuse i trade consequent upon the unfortunate state of clearly no belp for him. He has our warmest altogether from command." the country, advertising is uscless.
