The repulse of Kelly it true, breaks up encounter a fire in the rear that would utterly to the projected union of his forces with those of confound them. On the motion of pettifoggers, a whom they call Law Officers of the Crown, a war ( was to be made, but he did not believe that in a such a war our cause would be hopeless.

There will be one advantage in a war with Eugland. We can proclaim to every individual on Consisting of the earth, with an appeal which shall strike to the hearts of all. Some fears had been thrown out that Louis Napoleon would join in a contest | against us—he had no fears of it. If Louis Napoleon had one desire stronger than another, it i was that he might have the opportunity of wiping [ ] out the stain of the disaster to the French at a Waterloo. There were innumerable men everywhere who would rejoice in the occurrence of | such a war, that they might vindicate their own

| rights and the principles of liberty. The people of Canada, the people of Ireland, I French nation, the lovers of liberty even in Engtland, would sympathize with us. Let England I make this war, and his word for it it would be the beginning of her downfall. This country would come safely out of such a contest; but even if it should be disastrous, we would yet save our t honor. Francis I, after the battle of Pavis, wrote | WATCHES, JEWELRY & SILVER WARE, Uback, "We have lost all but honor." That honor , which he had saved was the foundation of the future glory of France. So would it be with us. Has on hand a fair assortment of the above articles, If we saved our honor we could lose all else, and which will be disposed of on the most reasonable yet rise again to power and glory. If the war terms, must come, let it come, and let us thank God that TOODS FOR THE HOLIDAYS. ' He had made us instruments in His hands to work | 🕻 🕯 out His own cause. Mr. Hale now said he would withdraw his reso- h

Mr. Summer (who is Chairman of the Committee ) of Foreign Affairs) desired to say that he thought i the Senator had spoken too swiftly on this sub- MACHE GOODS, very handsome, with a general variety of Lject. Mr. Hale had asserted that England had h Umade an arrogant demand—this was hypothetical. How, beasked, did that gentleman know it -how did the Senate know it-how did the country know it? He did not so know, and he thought a the time for speaking and action would be when I the facts were presented-when the case came, practically before them. The gentleman had said he was in favor of arbitration; Mr. Sumner rejoiced to hear it, and he would say that he him- i self was in favor of doing all in that regard that weathat the (it became us to do. He doubted not the matter) t was in safe hands. But he wished not to be con- ) sidered as saying that even arbitration had been suggested or was under consideration. He made ) no utterances in behalf of any at this time, but that a spirit of consideration consistent with hon- Wants the attention of purchasers to his stock of or would be manifested, we had every reason to a
