COMPOUND SYRUP of HOREHOUNA ENOR the Cure of Coughs, Colds, Consumption; Bronchitis, Asthma, Spitting of Blood, Pain and Oppresion of the Breast, and all Diseases arising from a disordered condition of the Lungs.

Perhaps there is no Medical Observation better established and none more generally confirmed by experience of the best Physicians of all ages in all countries, than the Fact, that many of the most difficult and is curable Consumptions originate in neglected colds. In den's line, and within the limits of these streets thus a climate so variable as ours, where the changes weather are frequently sudden and unexpected, it requires more care and attention to guard against this dangerous enemy to human life, than most persons ar able and willing to bestow. The bills of mertality exhibit the alarming and melancholy fact, that the number of deaths by this discess are as five to one. Inasmuch then as this fatal disease is increasing, and spreading so widely and featfully, and bidding defiance often to the combined skill of the most eminent physicians, it is a gratification to the subscriber to be enabled to offer to all of consumptive habits, or those afflicted with distressing pains in the side or breast, or any affection of the breast or lungs, a reasonable and almost

certain prospect of relief. The COMPOUND SYRUP OF HOREHOUND a medicine suitable to persons of all ages and sexes; and if taken on the appearance of the first symptoms, cares out of ten afford relief, and effect a speedy cure.
