CHILDREN TEETHING. T this important period, LITTLE CHILDREN suffer very much, and should not be neglected. Mothers and Warses, who have the care of them, should be cautious and apply such means as will relieve them. Dr. PARIS' SOOTHING SYRUP, Sr CHILDREN CUTTING THEIR TEETH, is pronounced by These sands to be the most efficacions medicine yet discovered; it gives immediate relief to those little ones, (if used according to directions,) thus preventing Paven, CONVULBIONS, and other dangerous symptoms, which often prove fatal. It is highly important to be very careful of whom you purchase this medicine, and not mistake the spelling in the name of PARIS, as there are several individuals representing themselves as Agents, who palm on the unwary a different article. which is not only uscless, but a Dangerous Poison to infants. 03-Remember, all genuine has the signature of Dr. Paris blown in the bottles, and the labels and envelope contain an entry, "According to an act of Congress," with the fac simile of the proprietor and the envelope. Unless it contains as aferceaid, touch it not. Price 50 cents. For sale by jy28-y
