MACHINE PRINTING. WDULL & TUTTLE, BOOK & JOB PRINT-ERS, No. 7 N. GAT STREET, take this method of informing the public, and Printers generally, that they have now in operation, in their office, THE BELPER DOUBLE ACTION PRINTING MA-CHINE, recently imported by them from England, and that they are prepared to execute PRESS WORK thereon at lower rates of charge, and with greater despatch than can possibly be attained by any other Printing Press now in use. As the machine is at present used principally in the publication of the Clipper at night, they would be enabled to execute the press work of an afternoon daily paper, as well as any other work that may offer. Printers, having long numbers on a form, would find it to their advantage to have the work done on the above machine, and are respectfully invited to call.
