STATE ARMORY
AND TOWN HALL LOTTERY.

☞ In reply to the note of D. S. GREGORY & Co. to the editor of the Patriot, and the accompanying letter published in that paper on the 19th inst. the Board of Commissioners submit the following statement of facts:

The Commissioners sold twelve schemes to D. S. Gregory & Co. to be drawn in one year, (which expired in the month of May, 1840,) upon the same terms on which they contracted with the State Commissioners of Lotteries. At the expiration of the year, D. S. Gregory & Co. declined a renewal of the contract, and the Commissioners failed in all their efforts to effect any admissible contract with others. Under these circumstances it became a matter of grave consideration with the Board whether they should wholly abandon an enterprize of so much importance to the State and city, or assume upon themselves the responsibility and labor of preparing and drawing schemes of their own. After much deliberation, and with great reluctance, they adopted the latter alternative, and proceeded, at considerable cost, to make all the necessary arrangements. When their plans were matured, and the tickets in their first scheme ready for sale, they were met with a refusal on the part of the established Lottery venders to sell their tickets. The Board were informed, upon authority which they could not question, that the venders had come to this determination from a threat on the part of D. S. Gregory & Co. that they would not sell their tickets to such of the venders as sold the tickets of the State Armory and Town Hall Lottery. The Board still anxious to interfere as little as possible with the State Contractors, and, if practicable, to move in harmony with them, delayed taking such steps as the provisions of the Act of Assembly, and the circumstances of the case, warranted them in adopting. Whilst matters stood thus, on the 8th of this month, the Agents of D. S. Gregory & Co. called separately at the office of the Commissioners, and after expressing to a member of the Board, an anxious wish for harmonious action, suggested that a letter to D. S. Gregory & Co. would, they had no doubt, effect that object. Upon this suggestion, that member believing that they were sincere, and fully as anxious as they seemed to be of bringing about this harmony of action, immediately addressed a letter to D. S. Gregory & Co. of which the following is a copy:

GENTLEMEN—In an interview which Mr. Scribner sought with us to-day—he suggested, for the better understanding of our respective opinions concerning the sale of Town Hall Tickets, that a correspondence be opened with your house. Not entirely coinciding in his views, nevertheless desirous of meeting all amicable overtures in a proper spirit, we have concluded to put you the query as to how far you deem it advisable, under the existing state of things, to oppose the sale of our tickets. Various rumors are afloat as to threats, &c. said to have been issued by your house against the regular brokers, if they should deal with us. Of course we pay no attention to mere rumors; nevertheless, it will conduce to a friendly feeling if a more perfect understanding of our respective views was interchanged, &c. Dated 6th January, 1840.

On the day following, the 9th ult. these same agents sent a circular to all the venders in the city, of which the following is a copy:

[CIRCULAR COPY.]

Dear Sir—We think it proper to apprise you, that we should deem your acceptance of an agency to sell any other tickets, than those embraced in the contract of the State, to conflict with your engagements with the contractors of the State Lotteries. Respectfully yours,

(Signed) D. S. GREGORY & CO.

By S. SCRIBNER & Co.

Thus situated, it became imperative upon the board to appoint agents of their own, to make sale of their tickets, and they accordingly, on the 11th of January, gave notice that they would proceed to appoint agents. On the 16th of January, (Saturday,) the member of the Board, who had written to D. S. Gregory & Co. received their answer, and on the Tuesday following, before any reasonable time had been given for a reply, or for any interchange of views, that answer and the note to the editor of the Patriot were published. The Board disclaims any connexion or concern with any article which has appeared in the papers in relation to D. S. Gregory & Co save the notice above referred to, and one other which was published on the 14th. D. S. Gregory & Co deny hostility to the State Armory and Town Hall; the probability is that they are alike indifferent to its success or failure, except so far as it may come in conflict with their interests. That the Board, and D. S. Gregory & Co. are placed in the position of antagonists, is not the work of the Board, who used every means to avoid it, short of an entire surrender of the rights with which they are invested by the Act of Assembly which appointed them, and of the feelings and wishes of a large number of their fellow-citizens, who are solicitous for the construction of the State Armory and Town Hall. The intimation of D. S. Gregory & Co. that the course adopted by this Board can or ought to relieve them from the performance of any of the obligations of their recent contract with the State, is destitute of any foundation in reason or justice. D. S. Gregory & Co. long before that contract was made, were familiar with the provisions of the Act of Assembly referred to, and with the extent of the powers claimed by this Board, under it. That the Board have, contrary to their wishes, resorted to the full exercise of those powers, is the result of the acts of D. S. Gregory & Co. themselves.

By order of the Commissioners of State Armory and Town Hall Lottery.

ja25-3t JAMES H. COX, General Agent.

VALLIER'S FRENCH PILL, FOR THE CURE OF SECRET DISEASES. *One box of these inestimable Pills is worth all the Quack Medicines in the world.*

COMMENT. If we examine the nature of the above diseases, and the situation of the parts affected, we must consider it a very important object to be able to obtain a remedy at once certain in its action, and at the same time composed of such ingredients as will prevent the possibility of discovery while using it. It is a fact well known to many, that most of the remedies offered for these diseases are composed of such nauseous drugs, as to render it almost impossible to continue their use without creating a sickness at the stomach or other unpleasant consequences. Such being the case there can be no doubt but such a remedy as *Vallier's French Pills*, will meet the universal approbation, being entirely free from those objections; pleasant in their operation, and prompt in removing the disease. The proprietor would here remark, that the efficacy of these Pills in the disorders alluded to, are not based upon supposition; on the contrary, it is founded upon rational experience, having used them in a successful practice for upwards of two years, he feels confident of their superiority over the remedies hitherto employed.

☞ Price one dollar per box. For sale in Baltimore by SETH S. HANCE,

HANCE'S Compound Syrup of Horehound.

CERTIFICATE. Mrs. WILLIAMS, of Petersburg, Va. caught a very severe cold last fall, and thinking it would wear off in the course of time itself, neglected it to a very great extent. Finding, however, it did not leave her, she then tried various remedies, some of which subdued the cough in a measure, but none effectually cured it.

About a month ago, her husband thought she had better try a change of air, so she came to Baltimore, where she first became acquainted with the COMPOUND SYRUP OF HOREHOUND—the first bottle produced such relief, that before she had finished it she determined to purchase two bottles and return home. Price 56 cents per bottle.
