officers of that institution, the committee on the part of the stockholders offering this ticket, deem it proper to give this public assurance to the voters that no such intention has ever been entertained by them, but that their aim is simply to examine the concerns of the Bank, and all other proceedings are to depend upon the manner in which they find its affairs to have been conducted. Far from any feeling of hostility towards its i present officers, the gentlemen composing the new cial Agent, ticket will be most happy to be justified in re electing

them to their places.

This occasion is taken to notice another report which is in existence and which intimates that the movement for reform has its impulse in the wish of certain of the new directors to open to themselves a source of Bank facilities. To silence this attack the committee beg to on the 27th ult. state that they are authorized by each and every one of the new directors-those who have been in the direction ! of the Bank—to give a pleage to stockholders that not | Bold in the Virginia, extra No 5, drawn 28th ult. one of them will ever ask for the discount of a single | dollar while he remains a director of the institution, nor will the firm of which he may be a member make [any such application, but that, so far as the new names | Sold in the Virginia Leesburg Lottery, class A, drawn | bazines, Merinos, figured Cloth and Damask Cotton are concerned, the means of the Bank shall be only used for the accommodation of its regular customers.

The committee in giving this pledge venture to add that a similar pesurance with regard to the ticket to be offered by the administration side, will, they have no doubt, be acceptable to stockbolders.

lal-diweofw* Baltimore, 1st January, 1841. HANCE'S Compound Syrup of Horehound. FRIFICATE. Mrs. WILLIAMS, of Peters. burg, Va. caught a very severe cold had fall, and thinking it would wear off in the course of time itself, neglected it to a very great extent. Finding, however, it did not leave her, she then tried various remedies, some of which subdued the cough in a measure, but none effectually cured it.

About a month ago, her husband thought she had better try a change of air, so she came to Baltimore, where she first became acquainted with the COM-POUND SYRUP OF HOREHOUND—the first bottle produced such relief, that before she had finished it the determined to purchase two bottles and return home. Price 56 cents per bottle.
