

BALTIMORE CLIPPER.

FRANKLIN BANK MEETING. Agreeably to public notice, a meeting of the stockholders of this institution was held yesterday in the saloon of the Assembly Rooms...

JAMES HOWARD, Esq., the President of the Franklin Bank, then rose, and addressed the meeting, in the course of which he explained the causes and circumstances which had induced the Directors of the Bank to place its affairs in a state of liquidation...

After the statement of the Board was thus submitted, a series of resolutions were offered by Mr. RIGGERS, in substance, that a committee of five stockholders be appointed by the chair...

The resolutions were adopted. And the chairman, in a suggestion of the importance of the duty assigned to him in designating the committee, asked and obtained leave to proceed to its discharge after the meeting should adjourn...

From an estimate made during the call of the list of stockholders, we should judge the list to comprise about three hundred individuals and firms.

INTERNAL MACHINE. The Detroit Free Press contains an account of the explosion of an "infernal machine," by which Dr. Henry Lawson, landlord of the Eagle Hotel in that city was severely injured.

The machine found its way amongst the baggage in the baggage room, and exploded while the Doctor was looking for a buffalo skin. It was about two feet long, and fourteen inches deep, and contained an oak block about 17 or 18 inches in circumference...

ST. AUGUSTINE, (Fla.) Jan. 22. The schooner Francis arrived this morning, bringing the news of additional success in the capture and destruction of the enemy south.

On the 9th, Col. Harney captured and killed in the Everglades 12 Indians. On the 10th, at Indian River, the command under Maj. Childs, Lieuts. Taylor, Steptoe, Van Vliet, and Dr. Simmons, captured 34 Indians and negroes, killing 4. On the 11th, on the St. John's, Lieuts. Taylor and Van Vliet captured 5 Indians, killing 1. Col. Harney had to return for additional force, and is again in pursuit of the enemy.

The news from the South is truly cheering—the successes of Col. Harney, and the prompt and gallant conduct of Maj. Childs, and the officers of the 3d artillery, are entitled to all praise. Maj. Childs is a brave officer, and already distinguished for good conduct at Fort Drane. We say, God speed such men as are operating at the South; they have large claims upon the gratitude of the country.

Mothers and Nurses, who have the care of them, should be cautious and apply such means as will relieve them.

Dr. PARIS' SOOTHING SYRUP, for CHILDREN CUTTING THEIR TEETH, is pronounced by Thousands to be the most efficacious medicine yet discovered; it gives immediate relief to those little ones, (if used according to directions,) thus preventing FEVER, CONVULSIONS, and other dangerous symptoms, which often prove fatal.

It is highly important to be very careful of whom you purchase this medicine, and not mistake the spelling in the name of PARIS, as there are several individuals representing themselves as Agents, who palm on the unwary a different article, which is not only useless, but a Dangerous Poison to Infants.

Remember, all genuine has the signature of Dr. PARIS blown in the bottles, and the labels and envelope contain an entry, "According to an act of Congress," with the fac simile of the proprietor on the envelope. Unless it contains this address, touch it not. Price 50 cents. For sale by

If we examine the nature of the above diseases, and the situation of the parts affected, we must consider it a very important object to be able to obtain a remedy at once certain in its action, and at the same time composed of such ingredients as will prevent the possibility of discovery while using it. It is a fact well known to many, that most of the remedies offered for these diseases are composed of such noxious drugs, as to render it almost impossible to continue their use without creating a sickness at the stomach or other unpleasant consequences. Such being the case there can be no doubt but such a remedy as Valleir's French Pills, will meet the universal approbation, being entirely free from those objectionable ingredients in their operation, and prompt in removing the disease. The proprietor would here remark, that the efficacy of these Pills in the disorders alluded
