MONDAY MORNING, FEE 8 1841,...

RECEPTION OF GENERAL HARRISON. OUR city was all buille on Saturday last. At about mine o'clock is the morning, the signal guns an and with banners flying wid mosic playing, they marched to the place of rendezvous. Previous to "The end hazard yet come." this a large body of horsemen had proceeded to the relay house on the rail road, to await the ar-

pective division of "the spoils." They all seemed so joyous that we expected every moment to bear them sing in chorus,

erBute such a day, so renowned per victorious, Boch a day as this was never seen; ' The courtiers so gay, and the mon so upminus,

Nature seems to wear a universal grin."

the city by Charles F. Mayer, Esq. to whom he the resumption, which was passed in the Bank enquiry, than the imaginary comets of professor The Baltimon. responded in a short address. We were much meeting on Thursday night. The Western bank Olastical.

pleased that these ceremonies and addresses were paid all demands of every kind. The general not prolonged, as the unfavorable state of the expression of epinion was, that the banks acted Should the meteoric shower be again exhibited weather might have affected the health of Geneto resume, after the U.S. Bank had been forced to remain to entered the need the need to remain to entered the need to remain the need to longer exposed to it uncovered.

the procession marched the pavements were most, even when in the judgment of some of the to be seen on almost every clear night of the crowded, with men, and the windows with ladies, Directors, such a course could be pursued only to who waved their handkerchiefs in welcome of the injury of the institutions. Every thing was year, between the hours of midnight and dawn. the old herb.

and in the square was immense, and the whole seemed to be out of the question for the time. affair passed off creditably and handsomely. The LATER. The latest intelligence from Philoapper windows of the hotel were beautifully de- delphia, received by the ears yesterday afternoon, day evening last, Dr. C. C. Cox delivered a leccorated with ladies' sweet faces, which smiled informs us that all the banks in that city, with ture on electricity, in which he traced the protheir approbation upon the scene.
