BALTIMORE CLIPPER.

MURDER. Two colored boys, in the service of the Hon. Mr. Appleget, near Spotswood, N. J. some time since had a quarrel in the woods while they were cutting wood. The younger of the two about 15 years of age, threw his axe at the elder and inflicted a severe wound in the neck, by which he was killed. The murderer then hid the body in the leaves. It was discovered by accident a few days since, and the boy is now in jail awaiting his trial. He confessed having thrown the axe, but not with the intention of killing.

WATCH RETURNS. Eastern District, Feb. 9—Mary Pate was found in the street, intoxicated, and brought up.

Middle District—Feb. 9.—The following persons were imprisoned for intoxication:—John Thomas, Joseph White, and John McQuay, the latter a soldier of the U. S. Army. Michael O'Brian, a lad was left for the Police.

Western District—Feb 9.—Theophilus Simpkins, U. S. A., was arrested for intoxication, by the Police. Fulton Smith was imprisoned for disturbing the peace. Margaret M'Gregor applied for lodgings.

McLEOD INDICTED. The Rochester Advocate of Thursday last states, on the authority of one of the witnesses, that a true bill had been found against McLeod for murder. The Democrat inclines to the opinion that this is what would be done rather than what had actually taken place. It appears to be generally conceded that he will be indicted.

An excitement against the Shakers prevails in Shirley, in consequence of their retaining two children against the wishes of their parents.—Whenever the father comes after the children it is said they are secreted; and at other times kept in such a situation that they cannot escape.

☞One dollar bills of the Fulton Bank, (N. Y.) altered to tens, are in circulation. They are easily detected, although the alteration is very ingenious.

MORE CONVICTIONS FOR MURDER. Henry Sisco, a colored man, about 22 years of age, was tried and convicted of murder in the *first degree* last week at Hackensack, N. J. Another colored man was indicted with him.

FIRE. On Saturday morning last a fire broke out in the cabinet shop of Mr. John Elliot, Topsham, Me. which destroyed the entire building with its contents, and a number of valuable sleighs.

MARYLAND LEGISLATURE.

ANNAPOLIS, Feb. 9, 1841.

HOUSE OF DELEGATES. Mr. Legrand presented the petition of the Most Rev. Samuel Eccleston, Roman Catholic Arch Bishop of Baltimore, and others, praying for an act to incorporate the Saint Vincent of Paul's Benevolent Association; read and referred to the Committee on Corporations.

Mr. Preastman presented the memorial of Benjamin Boone, George P. Knotts and others, praying for an act of incorporation for the Franklin Beneficial Total Abstinence Society of Fell's Point.

Mr. Keene presented the memorial of sundry citizens of Dorchester county in relation to the practice in the City of Baltimore, of packing wood about the wharves.

Mr. Thayer presented the memorial of Gerard Celany and 42 other citizens of Allegany County, praying that the Banks of the State may be authorised to issue one, two and three dollar notes.

Mr. Legrand obtained leave to bring in a bill to prevent the employment of Negroes in the State Tobacco Warehouses in the City of Baltimore.

On motion of Mr. Gaither, it was ordered that the Committee on the Constitution be instructed to inquire into the expediency of reporting a bill to alter the Constitution of the State so far as it imposes a limitation on the time that the Legislature is authorised to sit.

Mr. Legrand from the committee on corporations reported a bill to incorporate the St. Vincent of Paul's Benevolent Association of Baltimore City; read and passed.

Mr. Preastman reported a bill to provide for the appointment of a sworn Interpreter of Baltimore City and County Court; read and passed.

The House then proceeded to the consideration of the order of the day, being the report and resolution of the Committee on Ways and Means, the substitute offered by Mr. Coad, and the order offered by Mr. Jones of Somerset, of yesterday, to recommit the report and substitute.

The question was first put upon the order submitted by Mr. Jones, and it was adopted.

Mr. Bowie then submitted a series of orders instructing the Committee on Ways and Means to provide such a scheme of finance as will enable the Treasurer to fulfil the public engagements and maintain the public credit; and also that the Chesapeake and Ohio Canal ought to be completed with all possible despatch, consistent with a due observance of the public faith.

SENATE. A supplement to the charter of the Farmers' and Planters' Bank of Baltimore was rejected.

Leave was granted to report a supplemental bill relating to insolvent debtors in Baltimore City and County.

The bill for the relief of the Baltimore and Susquehanna Rail Road Company was passed.

The bill incorporating the Patapsco Canal and Navigation Company was passed.

The resolution in favor of the Retrocession of a part of the District of Columbia was passed.

☞We give up—the following paragraph from the Louisville Journal takes the rag off the bush:

The editor of the Advertiser repeats that we have recommended *lynch law* against him. He knows it is as great a falsehood as ever was brought into the world. We have *never* recommended lynch law against him, though possibly we *may* have suggested that our fellow citizens ought, at some moment favorable to the purpose, and in imitation of an example set in another city, to *put corn in his breeches pockets and let the hogs root him into the river.*

SHOCKING! An Irish carman and his wife, attended the wake on Friday night, over the body of John Hand, whom Cliff killed. To do so, they left two twin infants, 14 months old, in the cradle at home; but, becoming intoxicated, they did not return home until morning, when they found their infants dead! The decision of the coroner's jury was, that they came to their death by cold and starvation.—*Detroit Adv.*

TO THE PUBLIC.

IT must be obvious to every one, that an Intelligence Office, when conducted under proper principles, and regulated upon an honest and equitable course, is of great convenience and utility to the citizens of a populous and thriving city like this. The subscriber, being aware of this fact, and with the knowledge that a degree of dissatisfaction has existed from the manner in which other offices of the kind have been heretofore conducted, he has therefore taken great pains to conduct his establishment in such a manner as to deserve public confidence, and be worthy of the public patronage.

PERSONS making application at this office for servants, or help of any other kind, will deposit, in advance, 50 cents each, for which they will have access to the records, properly kept for that purpose, and on which they find the names, residences, references, &c. of the servants or other help—in case that neither of them answers the desired purpose, the money will be returned. Yearly subscriptions received at $1.50 each.

AGENCY. HOUSES, FARMS, VACANT LOTS, GROUND RENTS, LANDS, &c. bought and sold on commission. SLAVES, for life or a term of years, bought or sold on commission, and the highest prices obtained. Persons having slaves, which they wish to dispose of, will do well to apply at this office before selling.

N. B. All letters addressed to this office (post paid) thankfully received and promptly attended to.

VALLIER'S FRENCH PILL, FOR THE CURE OF SECRET DISEASES. *One box of these inestimable Pills is worth all the Quack Medicines in the world.*

CONSENT. If we examine the nature of the above diseases, and the situation of the parts affected, we must consider it a very important object to be able to obtain a remedy at once certain in its action, and at the same time composed of such ingredients as will prevent the possibility of discovery while using it. It is a fact well known to many, that most of the remedies offered for these diseases are composed of such nauseous drugs, as to render it almost impossible to continue their use without creating a sickness at the stomach or other unpleasant consequences. Such being the case there can be no duobt but such a remedy as *Vallier's French Pills*, will meet the universal approbation, being entirely free from those objections; pleasant in their operation, and prompt in removing the disease. The proprietor would here remark, that the efficacy of these Pills in the disorders alluded to, are not based upon supposition; on the contrary, it is founded upon rational experience, having used them in a successful practice for upwards of two years, he feels confident of their superiority over the remedies hitherto employed.

CHILDREN TEETHING.

AT this important period, LITTLE CHILDREN suffer very much, and should not be neglected. *Mothers* and *Nurses*, who have the care of them, should be cautious and apply such means as will relieve them. Dr. PARIS' SOOTHING SYRUP, for CHILDREN CUTTING THEIR TEETH, is pronounced by Thousands to be the most efficacious medicine yet discovered; it gives immediate relief to those little ones, (if used according to directions,) thus preventing FEVER, CONVULSIONS, and other dangerous symptoms, which often prove fatal. It is highly important to be very careful of whom you purchase this medicine, and not mistake the spelling in the name of PARIS, as there are several individuals representing themselves as Agents, who palm on the unwary a different article, which is not only useless, but a *Dangerous Poison* to Infants. ☞Remember, all genuine has the signature of Dr. PARIS blown in the bottles, and the labels and envelope contain an entry, "According to an act of Congress," with the *fac simile* of the proprietor on the envelope. Unless it contains as aforesaid, touch it not. Price 50 cents. For sale by

CONSUMPTION.

☞*Consumption, thou fell Destroyer!* More Proofs of the efficacy of Doctor WAYNE'S COMPOUND SYRUP OF WILD CHERRY, in relieving afflicted Man.

To Dr. SWAYNE.

Dear Sir—The time has been, when I would not recommend a medicine advertised in the public prints over my own signature; I now feel different—I feel it my duty to inform the afflicted where they may find relief. I was reduced, by a protracted COUGH for six months, to a mere skeleton; no rest at night; soreness and pain in my breast, side, &c. Suffice it to say, I used your *Compound Syrup of Wild Cherry*, which in a few weeks relieved me effectually. I am certain, had it not been for your medicine (as life frequently depends on early attention to proper medicines,) I should now be in the silent grave. Let no person delay, but procure your Syrup and be relieved of their COUGHS and COLDS, as they are dangerous companions, and often lead to dangerous consequences
