THE MAN WHO BURNT JOHN BOCERS. strange man should be brought forth and thrown A THEILLING STORY.

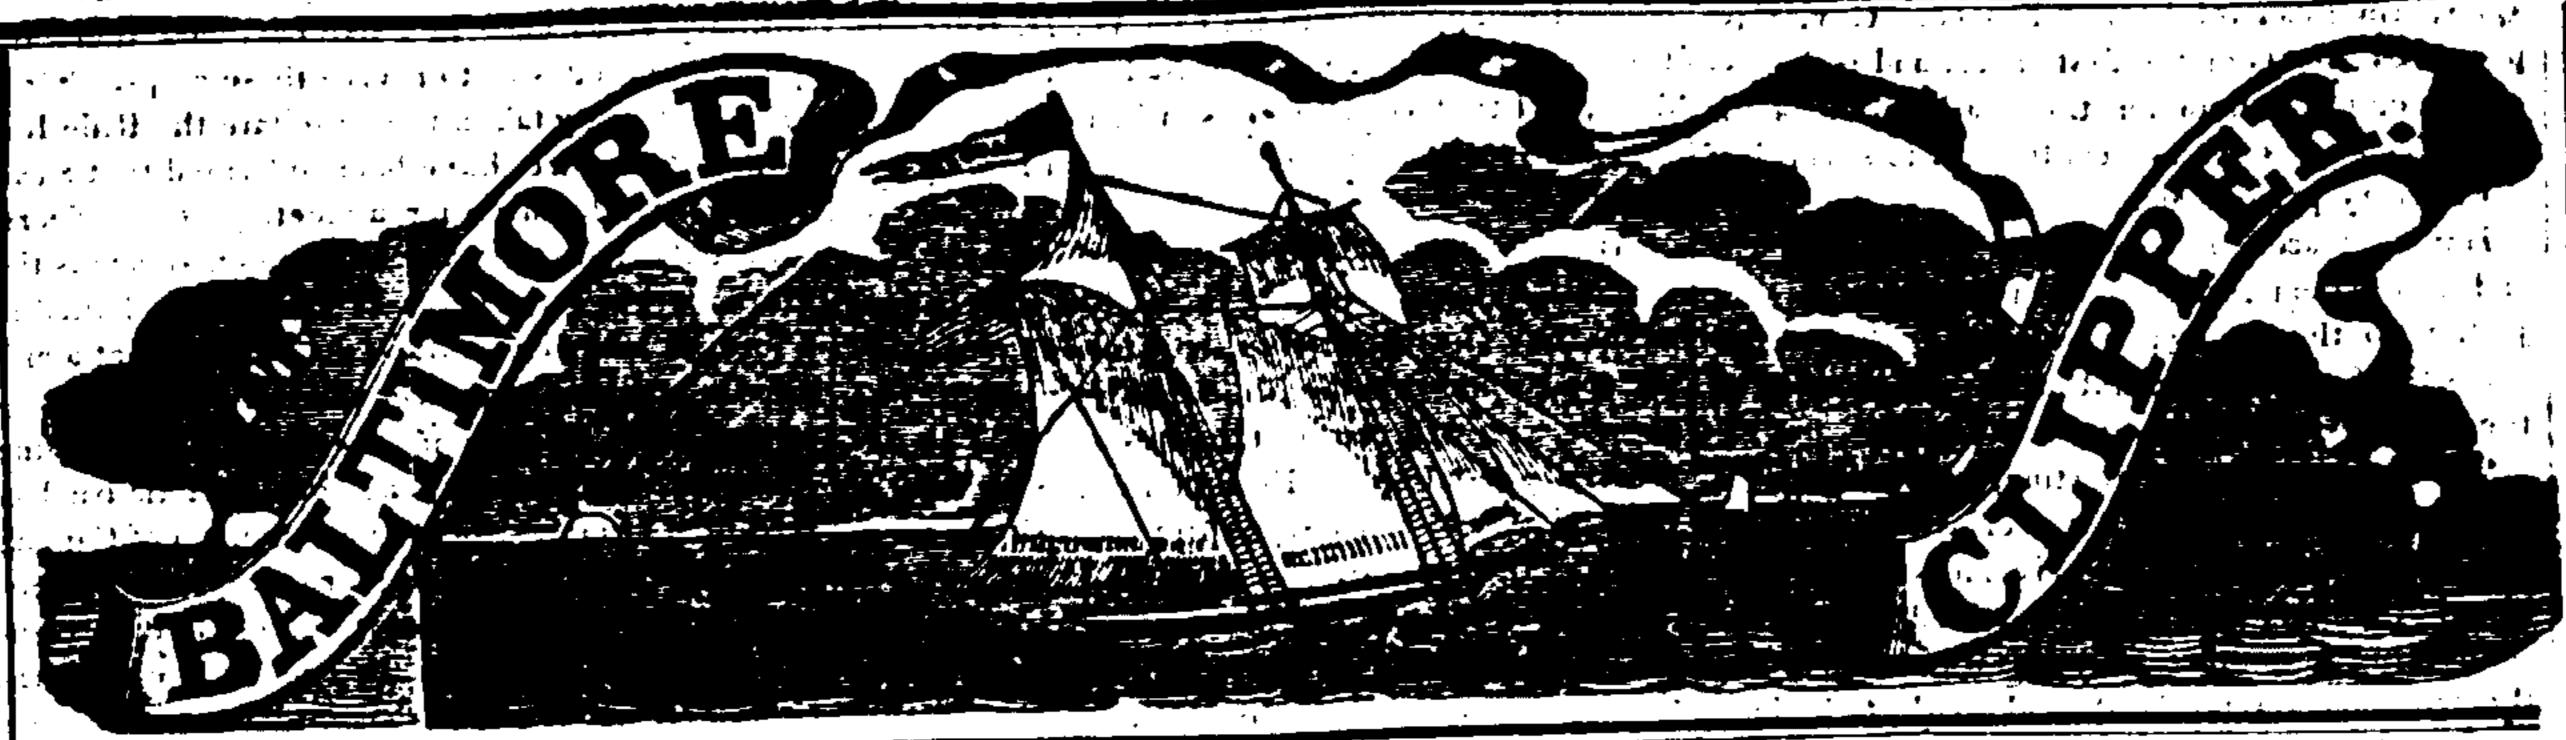

On board of one of the ships sent out by Walter Raleigh under the patronage of Queen Elizabeth, to make discoveries along the North American coast, was a passenger, of a singular and melancholy aspect, who, from the first moment of de-'an expression that seemed sinister and malign, at start, when there was neither sound nor sight nor other cause of agitation. Sometimes he was seen, as darkness was descending over the waters, conceal himself near the ship's stern, or among him were hurrying him rapidly towards the House whether or not the Commissioner of would start and turn pale, as if detected in guilty the gangway. He was urged along so speedily, Loans has placed in his hands the amount of enusings, or would assume a savage aspect, if he destruction. The ship rolled downward on the act of 1839 chr. 20, and that if said bonds have destruction. The ship rolled downward on the not been placed in his hands, the Treasurer is side whence he was about to be precipitated; and hereby directed to transmit a copy of this order a raddy than which streamed from a lantern held hereby directed to transmit a copy of this order. evidently to possess him. It seemed as if its workings had given as unnatural appearance of sear the spot, fell upon the troubled waste be- to the Commissioner of Loans and inquire of him premature age. The lines of his face and the Fond.—They were on the summit of an immeas. Why said act has not been complied with. furrows of his brow were deeply impressed, and urable mountain wave; and the wretch looked Mr. Lecompte reported a bill to incorporate a morbid imagination might almost trace, in the dusky red characters of the latter, the thunderscars of the fallen angels. His hair, in some places, had turned completely grey. on the whole, he seemed not to have numbered more than forty years.

.. He entered the vessel, under the general inviwas fictitious, and that he had done some deed the tenacity of despair, to the gripe he had taken lish a uniform system of charges by Notaries tation, unknown to any of the ship's company .-A rumor was soon current that his mesumed name things, it was whispered that he had been an executioner. There were in that ship many desperadocs, and many who were flying from justice at home for crimes which in any country would 'have made them infamous. But no man inquired into or cared for his neighbor's character, though his peculiar and disagreeable physiognomy and rupted them, and arrested the body of their in- cases was rejected. manner, was the mark of aversion to all his fellow yoyagers: The awkward attempts which he made, during the first few days of their voyage, to form acquaintance, met with such unpromising reception, that he desisted, and became uniformly gamee, or sooking at himaskance, with a mingled expression of carriosity and horror, and at night tion which the ship yet yielded them; and that the Strange Man was coming. At meal-times, a solitary corner became his own by presentation, where his food was given and received in allower; and at night he retired to a couch, from the vicinity of which the occuments of the miliants of the miliants of the miliants. the vicinity of which the occupants of the adjacent | common audit, to answer for their usurpation of dormitories had removed; as they said his mosleeping. The sailors regarded him with a su-perstitions dislike, as the Jonas of their vessel, that moment appeared, and restored order by ditions, grouns and cries prevented them from ineffectual, had not the commander himself at and avoided, or coarsely repulsed him, when he while the attention of the men was thus divertoverheard their comments on his situation, and their surmises as to the cause of his revolting antheir surmises as to the cause of his revolting appearance, and the disgust it excited; which were

all, however various, alike disgraceful to him. counseller, or the power of vindicating himself, the recres which had been allotted him to sleep (for who can fight single-handed with prejudice?) passions with himself, this wretched exile found returned to the crew. On the day following the himself the focal object of aversion, hatred and night of his jeopardy, the stranger being crawled) disgust. He seemed to be in the situation of a from hie larking place, urobserved, until he sudguilty ghost; more tormented in its unnatural exhell; or like some of the prodigies with which might was not generally known; but the compathe superstitions of different ages have teemed; my looked at him with a creeping sensation of like one who had been bitten by a rabid wolf, or superstitious awe, when they saw that his hair who, having had his own years sucked by a visi-tant from the charnel house, had become himself possessed by the horrible appetite for blood. He possessed by the horrible appetite for blood. He was like the first born Cain, bearing an obvious who, having had his own veins sucked by a visiwas like the first born Cain, bearing an obvious for some time prevailed in the cabin; and when but inexplicable mark, which was at once the stamp of his guilt and his protection from the the spell was passing away, the speakers addeath which he coveted; or like the Jew who dressed each other in an under tone, that sounded) insulted our divine Redeemer, as he passed on annaturally to themselves, rebuked as it was by to his closing passion, branded with the indellible stigma, which men trembled at and fled from. ite had the world before them, with its solitades aized him as having been his preserver. He and larking places, where no humas countenance soon took an opportunity, unobserved, of beckoncould obtrude, with its expression of scora or fear and the man followed him to a retirwith a tether whose shortness only allewed sequested him to meet him, at midnight, on the him to make idle and maddening efforts to quarter deck. I will, sir, replied the man: I hide himself from the many hundred eyes, that | The Hindoo who has lost his caste, can mingle name of one who at any rate mount to befriend with others, who, however despised by millions His limbs seized with a sadden paralysis, and he lowship of misery. But this man was alone; and was only sustained from sinking by agrejecting the hatred of all his persecutors, which he gave them back in return for their aversion, was silently consuming his heart.

There was, however, a young man, named Ro- left him. gers, among the company, whose sympathy for the desolate state of this individual overcame the repugnance, which, in common with the others,) he could not belp feeling. He had, once or twice, through the sphere of repulsion with which the ingly strong. He determined to gain from the lonely man had become invested. But the latter, his looks and retreated from his advance. Ro- though it might involve him in a troublesome gers, however, had marked him, when he had confidence, or stamp on his memory some disa-He had observed that he wore a thin shirt of might ever after be haunted, theegh the supposed coarse hair, under his upper garments, and had possession of the man's secret, or even a discovseen him in the attitude of prayer, telling his beads. He naturally concluded, that the source of so much anguish was some dreadful and unforgiven crime, for which he was undergoing pen-
