## THURSDAY MORNING, MARCH 11, 1841.

NUMBER 2

For the Baltimore Clipper. THE WORM THAT NEVER DIETH.

The following lines were written on the night on which I signed the pledge, and became a finds the desired index—she then reads—"to the President yesterday, at 2 o'clock. Mr. member of the Washington Temperance Society, dream that you are walking in shady groves and Fox, the British Minister, on being presented V, the first I have belonged to in Baltimore. I have since then thrown my pipe and tobacco into the fire, thus giving up the last and one of the worst performer and have six children, who will not name of the Diplomatic Body accredited to the of my habits; as the use of tobacco, according to prove very bright ornaments to society." The United States of America. We hasten, sir, to Dr. Rush, is conducive to drinking, I have ob- book fell from her hands; this was too severe a congratulate you upon your accession to the served, that almost all men who use tobacco to tion was decidedly personal; she recognised it as the confidence of your fellow-citizens has conexcess, also drink ardent spirits. The only ani- truth, and would not disclose it to her associates. ferred upon you. We speak the true sentimal, besides man, that will chew tobacco, will Horrible situation—to marry a negro; amalgama- ments of our respective governments and counalso drink—that animal is the monkey: yet the tion by predestination. monkey has more brain, in proportion to size, him to say, if he rever was method by the rejoice, sir, to have heard from yout own than any animal, except man. Alas! that the he is or was a negrotion this would prove as in the pour in your inaugural Address, the declaratwo wisest animals should prove themselves the sult and the world not knowingly wound his feel- from of a virtuous desire to promote the relative mineral managination the following of national friendship and peace between greatest fools. Alas! that man should prove himself the greatest fool of all. Thank God! I have sacrificed my last habit, the use of tobacco.

They say, in Egypt's far-off clime, There was an Asp in ancient time, Which Cleopatra to her breast Thoffied, and found that fatal, rest, Which Death to the distracted gives; But, ah! there is a worm that lives Upon Columbia's flowery shore, More deadly than the Asp of yore; More fatal thurshe Upas tree; In Java's isle; or aught can be; Not Prussie seid is more certain To "douse the glim," and drop the curtain; "Tis found in every lane of life, The cause of bloodshed and of strife; And should it bite you, Oh! 'tis sad, Indeed it is, you go stark mad; Your fame, your fortune and your friends Forsake you, and then Death attends; Cuts short your breath, and down below Dooms you to everlasting woc. In court and cottage, hovel, hall, ... Among the great, among the small; coverty and grandeur's door,

nompous and the poor, is found—it crawls, unseen, arning sits with awful micn; Vin pious hearts will steal, The fancies to reveal. en it to the pulpit go, g its venom'd tongue of woe; by its dev'lish thrall undone, Vazint and sinner meet in one. There is a magic in its bite That's laughable, I own outright; If doctor's bitten, after supping, You'll find him soon engaged in cupping; If 'tis the lawyer's fatal star, You'll see him pleading at the bar; The parson bitten, in the mind, To spiritual things will be inclined; The poet-Oh! God help the slur, Becomes a sage fooloopher. This worm was in the apple given To Eve, in her terrestrial Heaven; It bit poor Noah in the grape, For well we know he play'd the ape; It bit Anacreon o'er his lyre, Breathing the pure poetic fire; And Alexander, great in form, Fell by that wonder-working worm. Oh! it hath slain more men, by far, Than famine, pestilence and war; The noblest, wiscat of our youth, Have perish'd by its venom'd tooth; Reason in ruins ofttimes lies, To this dread worm a sacrifice. Its bite produces a disease Call'd rum-atism, if you please: The reptile, sir, I need not name, All know the STILLWORM's fatal fame. MILFORD BARD. Balto., March, 1841.

For the Buttimore Clipper. DREAMING. BY PEREGRINE PEPPERTON. "As echo's voice returns the pleasing lay, So is a dream the echo of a day: The busy thoughts that round some object teem Oft join in eleep to form the nightly theme, Then bright ey'd fancy litts her magic wand While scenes unreal rise at her command."
