In my opinion, is much superior to any Lamp now in mea-the Campbine produces better i light than Gas or Oit. I have burned Oil for five years, Gas for eleven, and Webb's Camphine for 30 months. I have a better light in my bar-room with five of eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use. Yours respectfully, THOMAS RILEY.
