C. H. EISENBRANT,
IMPORTER AND MANUFACTURER OF
MUSIC AND FINE ARTS,
No. 54 BALTIMORE STREET.
Has received by late arrivals from
Germany, France, & England, a large
supply of Musical INSTRUMENTS,
which will be sold, wholesale and re-
tail, on very pleasing terms, viz:
Pianos—Magnop and Rosewood PIANO
FORTES, manufactured by the celebrated Ernst
Reinhardt. These Instruments are warranted to be
of excellent tone and workmanship, and are the finest
imported from said factory.
Pianos—Rose and Satin-wood Guitars; Vi-
olas, No. 10 to 30; silver-mounted Flutes, with 6, 8, and
4 keys; B. C. E. flat and F. Clarinets; Valve Ophe-
cledes; Valve French Horns; Trombones; Trumpets;
Cornopoons; Accordions, with 8, 10, 12, and 21 keys.
From London—Kent Burgles, with all the im-
provements; Cornopoons, made by Chas. Pacc, who made
Mr. J. J. Decatur's cornopoon—said Instruments were
ordered two years ago.
CASB—A fresh supply of Violin Strings, war-
ranted of very finest quality, 4 tenors and four
basses, that are staves for life, and good titles. My
office is in Pratt street, between Sharp and Howard
streets, and opposite to the Repository—where I or my
agent can be seen at all times prepared to sell the same at the
usual price of 33 cents for four. Of all the viola
Negroes to sell, would do well to see me before they
dispose of them, as I am always buying and forwarding to
the New Orleans market. I will also receive and
keep Negroes at twenty-five cents each, per day, and
forward them to any Southern port, at the request of
the owner. My establishment is large, comfortable
and airy, and all above ground, and kept in complete
order, with a large yard for exercise; and is the strongest
and most splendid building of the kind in the United
States. And as the character of my house and
yard is so completely established, for strength, comfort
and cleanliness, and it being a place where I keep all
my own, I will not be accountable for the future, for
any escape of any kind from my establishment.

LIME! LIME! LIME!
THE subscribers respectfully inform their friends
and the public, that they have on hand, and in-
tend keeping a constant supply of superior Alton and
Bottom LIME, (burned in a conical kiln, so highly
recommended by our State Geologist, Professor DeCa-
ter,) and that they are prepared to sell the same at the
usual price of 33 cents for four. Of all the viola
Negroes to sell, would do well to see me before they
dispose of them, as I am always buying and forwarding to
the New Orleans market. I will also receive and
keep Negroes at twenty-five cents each, per day, and
forward them to any Southern port, at the request of
the owner. My establishment is large, comfortable

States. And as the character of my house and

and cleanliness, and it being a place where I keep all
my own, I will not be accountable for the future, for
any escape of any kind from my establishment.

PANTHER FIGHT. The Washington (Ark.)
Telegraph says that a young man by the name
of John Keller, about 18 years of age had an en-
counter with four of these dangerous animals at
one time, and resulted in his killing three and
putting the fourth to flight. The engagement
was a very close one, as the gun was considera-
bly disfigured by the marks of the panther's
teeth.

A LONG PROBATION. The Louisiana House
of Representatives has passed a resolution in fa-
vor of an alteration of the Naturalization Laws,
so that every foreigner shall reside twenty-one
years in the United States before he can be natu-
ralized.
