TU THE PUBLICE T must be obvious to every one, that an Intelli-Eence Office, when conducted under proper principies, and regulated upon an honcet and equitable course, is of great convenience and utility to the citizens of a populous and thriving city like this. The subscriber, being aware of this fact, and with the knowledge that a degree of dissatisfaction has existed from the manner in which other offices of the kind have been beretefore conducted, he has therefore taken great pains to conduct His establishment in such a manner as to deserve public confidence, and be worthy

of the public patronage. PERSONS making application at this office for servants, or help of any other kind, will deposit, in advance, 50 cents each, for which they will have access to the records, properly kept for that pprpuse, and on which they find the names, residences, references, &c. of the servants or other help-in case that neither of them answers the desired purpose, the money will be returned. Yearly subscriptions received at \$1.50 each. AGENCY. HOUSES, FARMS, VACANT LOTS, GROUND RENTS, LANDS, &c. bought and sold on commission. SLAVES, for life or a term of years, bought or sold on commission, and the highest prices obtained. Persons having Flaves, which they wish to dispose of, will do well to apply at this office before
