(Reported for the Baltimere Citpiers) CONVICTION OF PETER ROBINSON. At New Brunswick, N. J. for the murder of Abraham Suydam.

New Brunswick, March 25, 1841. About an hour after the close of my letter of last evening, Attorney General Molleson concluded his remarks to the Jury, and Chief Justice Hornblower delivered his charge. This was quite an able and comprehensive review of the whole trial, and occupied more than two hours in its delivery. At half-past 8 o'clock the Jury retired, and returned again into Court at fifteen minutes before 10 o'clock, with a verdict of GUIL-TY OF MURDER IN THE FIRST DEGREE. Neither of the prisoner's counsel were present, but in compliance with a request from one of them, Mr. Graham, the Jury were "polled," when each again gave the verdict previously returned by all.

Robinson received the verdict with composure, exhibiting the same callousness of feeling which has marked his conduct throughout the trial.la report to-night. Yours,
