P. AUGUSTUS BAILEY, Agent For the Proprietors. The following letter to the Agent, exhibits the superiority of the Camphine over Gas or Oil light, in Itilliancy and cheapness:

New York, Merch 23, 1640. DEAR SIR-I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB's PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine products better light than Gas or Oil. I have buined Oil for thee years, Gas for eleven, and Webb's Camphine for 20 months. have a better light in my bar-room with five of Webh's burners than I had in the same room with eleven gas lights. In fact, t light my whole house at Dear Sir-The time has been, when I would not less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use.
