Dear Sir-The time has been, when I would not recommend a medicine advertised in the public prints wer my own signature; I now feel different-I feel it my duty to inform the afflicted where they may find relief. I was reduced, by a protracted COUGH for six months, to a mere skeleton; no rest at night; soreness and pain in my breast, side, &c. Buffice it to say, i used your Compound Syrup of Will Cherry, which n a few weeks relieved me effectually. I am certain that, had it not been for your medicine, I should now be in the silent grave. Let no person delay, but crocure your Syrup and be relieved of their COUGHS and COLDS, as they are dangerous companions, and then lead to dangerous consequences
