DEAR SIR-I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB's PATENT LAMP, in my opinion, is much superior to any Lamp now in use-the Campbine produces better light than Gas or Oil. I have burned Oil for five years Gas for eleven, and Webb's Camphine for 20 months I have a better light in my bar-room with five o Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house a less expense with the Camphine than it cost me light my bar-room alone with gas. I recommend it as THOMAS RILEY. Yours respectfully,
