WINTER ARRANGEMENT. GREAT SOUTHERN UNITED STATES MAIL LINE, DAILY TO THE SOUTH. The ONLY LINE carrying the GREAT MAIL, and the only DAILY LINE. TRAVELLERS FOR THE SOUTH, are informed that by taking the Great Mail at Baltimore for Washington at 4 P. M., they proceed via Washington, Frederickburg, Richmond, Petersburg, Weldon, and Wilmington, N. C. to CHARLESTON, S. C., reaching Charleston the second morning after leaving Baltimore, and one day in advance of the Bay Line—the Companies on the route being bound by the Postmaster General to make the following quick Schedule: Leave Philadelphia 8 A.M. reach Baltimore 9 P.M. " Baltimore 4 P.M. " Washington 6 P.M. " Washington 5 A.M. " Richmond 12 P.M. " Fred'sburg 12 P.M. " Petersburg 3 P.M. " Richmond 3 P.M. " Petersburg 7 P.M. " Weldon 1 A.M. " Weldon 1 A.M. " Wilmington 1 P.M. " Wilmington 1 P.M. " Charleston at 5 the next day. As this Line carries the Great Mail, (which cannot be delayed,) and is almost entirely a Railroad Line, it will be perceived at once, that the Traveller, unless in some extraordinary emergency, is sure of a connection throughout, while it is evident that Post-Roads are irregular and slow!! must often occasion delay in a Route more than two-thirds of which is by the Rail—the traveller being also subjected to Sea-sickness, and incurring unnecessary risk, from Boats being urged to the top of their speed, to compete with the more DIRECT AND SWIFT. The above line will be found not only the most certain and expeditious, but the most attractive, as it passes through the Seat of Government, and in sight of Mount Vernon by daylight, and through Frederickburg, Richmond, and Petersburg, the largest and most flourishing towns in Virginia. It is also cheaper to Richmond, and as cheap as the Route to Washington and travellers have no expense or trouble with their baggage. This is much the nearest, quickest, and cheapest route to the interior of Virginia, North and South Carolina—at Petersburg, Va. commences the route by way of Raleigh, N. C.—45 miles of Rail Road from Petersburg to that city. Stage Lines branch off from Raleigh Rail Road to the old Piedmont Line, to Milton, Danville, &c., and to Knoxville, (Tenn.) This is the only Daily Line to Richmond and Petersburg. Passengers for the Raleigh and Gaston Rail Road pay through to Petersburg, Va. For further information and Through Tickets, apply at the office of STOCKTON, FALLS & CO. Adjoining the Philadelphia Rail Road Office, 412-14 PRATT STREET, Baltimore.

INDIVIDUALS REQUIRING THE BEST INCORRUPTIBLE

WOULD DO WELL to call on Dr. WILSON, No. 30 FAYETTE STREET, near the Post Office, and examine his ingenious, unparalleled, and successful manner of inserting ARTIFICIAL TEETH, which is acknowledged by all who have tested the work as surpassing every thing of the kind they have ever seen. He has in process of manufacture many thousands of improved Mineral Incorruptible Teeth, and can confidently assert that they are superior to any made in this city, whether for strength, durability, or their extremely natural appearance. These Teeth retain their color and purity in the mouth, are fixed without pain or the injurious effects of wires or lectures, thereby greatly improving satisfaction, utterance, and the general health. He it also recommended, that Dr. W. proportion his charges to the circumstances of his patients, and when the excellence of his mechanism is taken into consideration, it will be seen that the public study their own interests when employing a firm in this professional capacity. The Plugging of decayed teeth, when done is used, is useful to the patient in the preservation to the latest period of human existence. The various operations pertaining to dentistry will meet with the proper treatment in each case may require. 1. Artificial Teeth out of repair, restored equal in durability to their former state at a very trifling charge. 2. By the skillful use of very improved instruments, assurance is given of the instantaneous and safe removal of any tooth or fang (however decayed) without injuring the jaw or leaving behind any portion of the roots. 3. In all cases where gold is required, none other than 20 carat is ever used. Bear this in mind, as cheap work is often thrown out as a bait, and inferior materials used; sometimes even silver is recommended, a metal totally unfit for permanent use in the mouth, so as to completely restore defective utterance. 4. Those individuals who cannot afford to pay the fee of 50 cents for extraction, can have this important operation performed any morning without CHARGE, by calling between the hours of 8 and 9 A.M. Individuals requiring the assistance of a Dentist, may avail themselves of Dr. W.'s services at any hour of the day throughout the year, to suit their own convenience. Residence No. 39 Fayette street, near the Post Office, and opposite the First Presbyterian Church. 412-14

THE MARYLAND ARCADE Against the WORLD FOR CHEAP HATS!

THE Subscriber takes this method of informing his friends and the public generally, that he has now on hand a large and general assortment of HATS of his own make, which he is determined to sell low for cash. His prices are uncommonly low for the quality of the Hats: Splendid Russia Hats at \$2.00, fine Short Nap Silk Hats, made on Russia bodies, warranted water-proof, for only \$2.50. Fur Hats, from \$1.50 to \$2.00; Claret Hats \$1; Claret Beavers Hats \$1.50; White Russia Hats, at from 2.50 to \$3.50. It would invite the public to call and examine his Hats, for he is confident there is no Hats in the city to compare to his at the above prices. All Hats purchased of me will be ironed over and put in shape free of charge. 412-14 POLYDORE E. RILEY.

TO THE PUBLIC.—The price of HATS again lowered. TOVSON is now selling in Dutaw street, one mile north of Lexington street, his superior Hats at the following low prices:—the short Nap Silk Hats at \$2.50, fine Russia Hats \$2.50; Fur Hats at \$1.50 upwards. It may be stated how such Hats can be sold (if as represented) at such very low prices; I answer in the first place, I manufacture very extensively, and am able to purchase materials by the quantity much lower than if I bought by the small and secondly, I sell for cash, and can have to charge those who pay a high price, to make up for those who do not pay, the natural result of the credit system. I think my Hats the best now made anywhere in the market for the price. Persons who please call and look at my Hats, before purchasing elsewhere. Remember TOVSON, 52nd or from Lexington street. N. B. The trade credit with HATS in the market of all quantities. 412-14
