[From a very Respectable Former.] STATIONS COUNTY, VA. SAPT. 7th, 1849. Dear Sir:-- I write to let you know that the Lord has done great things for me whereof I am glad. When I saw you in Fredericksburg, I think I said that I had been afflicted with a very seid (sour) stomach, and subject to a violent pain in my hand for more than twenty years, for which I tentabulith and soda three or feer times every day for the many years, with littie or no relief, and my legs and ankies were so much swelled that I was unable, at times, to attend to my business. But since you made me a present of a bear of your Family Pills I have taken I or 2 of them at night in going to bed, and now my acid stomach is relieved, the swelling in my legs has nearly disappeared, and I do not think that I have been hindered one day with the pain in my head since I begun to take your valuable medicine. I think the Lord directed you to Fredericksburg, to administer to my relief. (Blessed he his boly name, I am greatly telieved.) There is living in my neighborhood a poor old woman who had been sick for a long time and could not get relief; et I remain with respect,
