

WEDNESDAY MORNING, April 21, 1841.

are now due. The Great Western, which sail- ing it to her. On his return the ship was cast ed from Bristol for New York on the 3d inst., away and he was lost. His mother, Keziah and the Caledonia, which sailed from Liverpool Winsor, was appointed administratrix of his esfor Boston on the 4th inst. Should the news ar- | tate, and in settling up the affairs claimed the rive by this evening's mail, it will be issued watch and portrait of the young lady which she from this office on an Extra sheet immediately properly refused to give up. The mother brought after its arrival.

80-We have been promised a series of extracts from the journal of a highly intelligent young testimony that the watch was a present to her gentleman of this city, who has recently returned from Captain Winsor. The portrait it was confrom a tour in Europe. The first extract appears | tended by the plaintiff was intended for her and on the first page of to-day's paper, and the others not for the young lady. The defendant proposed will be published as received. The gentleman's putting letters into the hands of the jury to show samiliarity with the languages of the people that this portrait was intended for her, but which umong whom he travelled, will enable him to were not submitted, as they would not be proof give additional interest to his sketches.

from the Rev. Daniel McJilton, addressed to the President, officers and Managers of the Western appear that a mother's feelings were sufficient Home Missionary Society, in which he gives a very interesting account of his labors. We believe that most of the churches have home missionaries, who are engaged in rendering to the The jury gave a verdict for the defendant, denecessitous spiritual and temporal aid; and it is claring that she had title to keep the articles." evident that agents of this character must produce extensive benefit. They visit, relieve and advise the poor; they "feed the hungry and the committee in Cincinnati to agree upon suitelothe the naked," and instruct the ignorant in able measures to express the public feelings on their religious duties. There are many cases of the melancholy occasion of General Harrison's destitution, where the lone widow and her help. death, a motion was made and unanimously adop- the counties of the State of Mississippi which lie seek relief from the cold hand of charity. They | the enlogy upon the late President. The Judge vately relieved. The funds for this benevolent He declined the request—and "never," says the bringing \$40,000 in specie consigned to different the Recretary serve encouragement-but the appeal in behalf have been brothers ever since; our hearts were ty-five years of age, and very well dressed, was demonstrate the efficacy of faith in the perform. cannot." And the manly tears fell down his there is yet unexplained.

McLEOD. A resolution is before the Assembly of New York, requesting the Governor to hold a convention of the business men of Penncommunicate to the House, "the correspondence sylvania, at Harrisburg, on the 25th of May, "to which had taken place between the Executive consider the present condition of the various arthority of the United States and of New York, branches of industry pursued within the limits been charged with an outrage upon the person of into by the said department in reference to the prospective resources; inquire into the measures tion gave rise to a warm debate, in which Me- embarrassments, and for their future protection, \$3,500 to appear at the Criminal Court. Leod was defended "on the ground that he had and to lay the result before the People for their done no more than any citizen of New York | consideration."

We have not the slightest expectation that McLexi will be convicted, and we doubt whether he will even be brought to trial. We think that events indicate a determination to release him; and if this be so, it would be as well that a nolle prosequi should be entered at once. It will, however, be an extraordinary instance of forbearance, if the authorities of New York permit him to escape without trial. We cannot recognize the validity of the plea put in for him by velopement of the wonderful sagacity of "man's the British minister, that, acting under the orders of his superiors, he is not responsible. this be admitted, criminals from either side of the Lakes can commit murders with impunityfor there will never be wanting those in author. | ion, Mr. Walton, and Mr. Brunton are engaged, ity who will sanction their acts. War would be much more likely to result from such a condition of things, than from the rigid enforcement by A BRITISH MAN-OF-WAR. Capt. Wyse, of the local laws.

Mounness Badges. We have been shown some very beautiful and appropriate badges gotten up by Weber & Co., intended to be worn by both ladies and gentlemen upon the approaching funeral procession, to the memory of Gen. Harrison. One contains a miniature likeness of the hero, set in crape rosetts. This is already adopted by many of the fair mourners and worn upon the left wrist. The other is upon white the New York Chamber of Commerce will be turned once too often with the object of rescuing satin ribbon, having also a very good likeness of held to-day, at 2 o'clock, P. M. at the Merchants | her property. Gen. Harrison, and intended more especially for Bank, N. Y., to take into consideration the exthe gentlemen. For particulars, we refer to pediency of appointing a committee to prepare a

DROWNED. Col. James Means, and a son of of a National Bank. Mr. Wm. H. Douglas, aged 15 years, were drowned at Chillicothe on the 3d inst. Col. M. had driven a buggy to which a span of horser was very seriously burnt in Philadelphia .- I were attached into the stream for the purpose of She had been engaged in hawking lucifer matchwatering the horses and cleaning the carriage, es .- They by some accident caught fire which when the horses took fright, and ran into the was communicated to her clothes, and almost strong current. Col. M. sprang out to stop the burnt her to death before assistance could be prohorses, but after struggling with them for some cured. moments, he received a blow from one of them i in the back part of his head and immediately appointed President of Jesserson College, St. wisk. The boy left the buggy and attempted to James' Parish, Louisiana, and has accepted the Instant, lat. 39 57, long. 691, steam ship British thach the shore by swimming, but failed.

NOVEL CASE. The Boston Times of the 17th | relates the following interesting case, tried in gence of the death of President Harrison was ancircumstances which led to the suit were as fol- the 9th inst. and the editor, in publishing it, put lows: - "Exra S. Winsor, Captain of the ship his columns in mourning. sent to her. While in Antwerp he fulfilled this rison. FOREIGN NEWS EXPECTED. Two steamships promise by getting his portrait painted and senda suit of repleven to recover the property.

The mother and sister of the young lady bore unless read in open court. As to the watch, the Ohio Canal Company, CHARLES B. Fisk, the plaintiff contended that it was left merely in de-HOME MISSION. We have received the report posit until the Captain should return.

So far as the portrait was concerned, it would excuse to take all honorable measures to obtain only one in the famity of the lamented captain.
