New York, Merch 23, 1840. DEAR BIR-I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB's PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine produces better light than Gas or Oil. I have burned Oil for five years. Gas for eleven, and Webb's Camphine for 90 months. have a better light in my bar-room with five of Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use. DAVIES' FAMILY PILLS. [From a very Respectable Farmer.

STAFFORD COUNTY, Va. Sept. 7th, 1866. Dear Sir:- I write to let you know that the Lord bas done great things for me. whereof I am glad. When I saw you in Fredericksburg, I think I said that I had been afflicted with a very acid (sour) stomach, and subject to a violent pain in my head for more than twenty years, for which I took thubarb and sods there lieved, the swelling in my legs has nearly disappeared. and I do not think that I have been hindered one day with the pain in my head since! I begun to take you valuable medicine. I think the Lord directed you k Fredericksburg, to administer to my relief. (Blesses be his holy name, I am greatly relieved.) There h living in my neighborhood a pour old woman who had been sick for a long time and could not get relief a length I purchased a box of your pills and gave them D her, after awhile I saw her out and about her business, spread the fame of your valuable medicine amongst my acquaintances, and many have purchased. Now. as it respects myself, my friends tell me when I to to town, that they have not seen me look to well for many years, and I say to them, 'I will tell you the seered why; ashort time ago I met with a Dr. Davies in town, and he gave me a box of pills, and they have made me look as you now see me.' And now, my filend, I hope that the Lord will continue to be with you, and make you useful to your fellow creatures, as he has hitherto done. I remain with tespect. CHARLES BRUCE.
