It was built, we learn, for an exwe do not see how he can exceed its powers. periment, and therefore, neither expense nor ex-He cannot give one vote as president pro-tem. | tra pains have been spared to render it complete and a casting vote as vice-president. This would in every department. A short time since it naplated by the constitution-nor can be choose in throwing a strong stream for the distance of one which capacity he will act. He cannot preside | hundred and eighty seet. We would respectfulas vice-president, vote as a member of the Se. If direct the attention of the different fire comnate, and decline to vote on a tie as presiding panies to this suction. They will find it at the officer. On an equality of votes the vice-presi- Thomsonian establishment of Mr. Meyer. deat must vote.

that the seat of Mr. Southard in the Senate, as a of Baltimore, and return to the home of his fasucceeding to the office of vice-president; and did when he signed the temperance pledge; for that, at the ensuing session he will take his seat | yesterday he informed us that he had abandoned as presiding officer of that body not as president | the idea-determined to continue in this city and | have to fill the vacancy which has been thus

created.

As this is a novel case, being the first which has occurred under our constitution, it is important that the decision should be such as to settle the question for all future practice. We presume that the Supreme Court would be the proper tribunal to fix the interpretation of the constitution; and we think that it would be well to have the decision of that department of government. It is probable that the subject will undergo immediate examination in the Senate; but the determination of that body would not be considered so satisfactory, nor, perhaps, so Binding as that of the Su. | Manufactures, No. 3, vol. 3; a valuable work, preme Court. We are about to set a precedent, containing much useful information. and should be careful to leave no room for deviadifficulty hereafter, it would be well to amend | taining reading. the constitution so as to prevent the possibility of misconstruction.

RELIEF BILL. The opinions of Messes. G. M. Dallas, C. J. Iugersoll and W. L. Hirst, attorneys of Philadelphia, have been taken as to the constitutionality of the relief bill, lately passed by the legislature of Pennsylvania. They all cap pages to convey to our readers the important concur in pronouncing the law to be unconstitutional.

The decision of this matter may be of importauce to the citizens of Baltimore, inasmuch as the notes issued by the banks of Philadelphia in accordance with the provisions of the bill, may | be extensively circulated here. The question submitted to the attorneys, was, whether the Cirv. We are informed that the above estabbe well for banks and individuals in Maryland to luma. Azeline receiving the bills thus issued.
