New York, March 23, 1840. DEAR SIR-I received yours of the 19th instant, and | proceed, as you request, to inform you that WEBB's PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine produces better Gas for eleven, and Webb's Camphine for 20 months. I have a better light in my bar-room with five of Webb's burners than I had in the same toom with Leleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gag. I recommend it as being the cheapest and best light now in use.
