We hope is not very refined. the legislature of Georgia will vote for a supply of schoolmasters, that this evil may be remedied. We do not know that we could spare them from Maryland, as we have here a telerable field for their labors.

THE STEAMER-BRITANNIA. The rumor respecting the damage to this steamship is, we regret to state, confirmed. We learn from the St. John Courier of Saturday, that in approaching Halifax harbor on Tuesday afternoon of last week, she struck on "the Sisters," near Sambro Light, in a thick fog. She was immediately backed off, and proceeded up the harbor, when she was taken into the Dock Yard for examination, and after being lightened of her fuel, but little injury could be discorffed, and the leakage had stopped, either marry or hang. but it was not deemed prudent, nevertheless to Congress. From appearances there will be with his bead uncovered, his bairs whitened by Orleans papers, as having taken place in the continue on her voyage.
