

BALTIMORE CLIPPER.

MORE OF THE McLEOD CORRESPONDENCE. By the politeness of Hon. E. J. Porter, of the Assembly, we have been favored with the whole of the correspondence transmitted to that body by the Governor in reference to McLeod. The most important part of it, viz, that wherein the Governor vindicates the rights and honor of the State has already been presented to the public. But in looking over all the documents we find two or three other points worthy of notice.

In the first place with regard to the visit of Gen. Scott at the time the trial was to have taken place at Lockport—some objections were made to it on the ground that it was an improper interference on the part of the federal government. We stated at the time that beyond all doubt he was ordered to the frontier for the purpose of being ready to repel any invasion that might be attempted from Canada with a view of releasing the prisoner by force. It now appears that this opinion was strictly correct. The gallant General was the bearer of a letter from the Secretary of War to the Governor stating that he was authorized to call for such portion of the militia of the State as would enable him to carry out his instructions. And from those instructions, which were also submitted to the Governor, it appears that "the President was apprehensive of an attempt to invade a portion of this state from the adjoining British Provinces."

There is one other point to notice in which we regret to say the Governor appears to much less advantage than in his able letter to Mr. Forsyth. It is in relation to Mr. Spencer's acting as counsel for the accused while holding the office of United States District Attorney. We were surprised at the remarks of some newspapers upon this subject, and thought they exhibited a very childish degree of squeamishness. We did not suppose that the Governor had told the President of the naughty attorney. But it seems that he did, and complained of its presenting the unseemly aspect of a conflict between the Federal Government and that of this State. To this complaint President Tyler very coolly replies that, so far as he is informed, Mr. Spencer acts entirely in his private capacity as a practicing attorney of the state of New York, in consequence of a retainer, which dates back previous to his appointment as District Attorney, and that in this he is sure the Governor will see nothing unseemly, &c. Mr. Spencer will not, therefore, be turned out of office in consequence of the assaults made upon him in this respect. The reply of the President is a severe, though probably not intended, rebuke, which would somewhat wound the sensitiveness of a vain man. Whether the Governor is exposed in this respect is not for us to say. But we regret that he thought it necessary to complain upon such frivolous grounds of Mr. Spencer, whose appointment to the office which he holds has been received with approbation by all parties.—N. Y. Sun.

KEOKUK KILLED. By a passenger in the steambot Sarah Ann, says the St. Louis Argus, we learn that the Chief of the Sauks and Fox Indians, Keokuk, was killed by Nabsiekoek, (Black Hawk's son,) a few days since. The difficulty originated relative to the distribution of the monies paid the Indians by the General Government. There has been a deadly feud existing in that tribe for some time and a great jealousy of Keokuk.

CAUGHT HIM NICELY. A burglar in attempting to plunder the store of Davis & Cary, Commission Merchants, New York, was nicely caught, just when in the act of breaking open the iron chest, and taken to his own place, the prison. He gave his name as Frederick Watson—stated that he did not know how he got into the store. He may have thought probably that he was taking a part in Sonnambula.

BURNING OF THE NATIONAL THEATRE. It is said that numerous affidavits have been taken in New York as to the facts and circumstances attending the burning of the National. One of the persons now under arrest is anxious to turn state's evidence, and disclose fully the facts. It has not as yet been determined as to the propriety of admitting the proposed disclosures.

THE RELIEF BILL. We understand that some eminent members of the Philadelphia Bar have, at the solicitation of various of the City Banks, given written opinions on the question of the constitutionality of the Relief Bill; and that they have concurred in the opinion that it was UNCONSTITUTIONAL, and that the notes authorized by it are Bills of Credit, within the prohibition of the Federal Constitution.—Ledger.

A BREAK. On Friday night the "tide lock" on the Delaware and Raritan canal gave way.—In consequence of this accident, its navigation has been interrupted ever since. Upwards of 100 vessels, it is said, have accumulated, awaiting the opening of the canal; the repairs are nearly concluded.

ARRIVALS FROM FOREIGN COUNTRIES. The Journal of Commerce says 17,557 passengers had arrived at that port from foreign countries since the 1st of January last. During the whole of last year there arrived no less than 62,797 passengers from foreign countries. Year before last, 48,152.

WHEAT IN MICHIGAN. According to the census, Michigan, in 1839 produced five hundred and fifty thousand more bushels of wheat than the five states of Massachusetts, Connecticut, New Hampshire, Rhode Island and Vermont together.

FEARFUL APPREHENSION. The ship William Brown, of Philadelphia, which sailed from Liverpool on the 16th March for Philadelphia, has been out 76 days, without having been heard from.—Considerable anxiety is manifested for her safety.

The Norfolk Herald says that "the announcement of the sailing of the Brandywine on the 26th, in one of the New York papers, was premature; we learn that she will probably not sail earlier than the 6th or 10th of June."

SHIP LAUNCH. A large ship of 650 tons burthen will be launched from the ship yard of Messrs. John A. Robb & Co., lower end of Thames street, F. P. this morning, at 11 o'clock.

ARRESTED. The thief who robbed the ticket office in Beverly, a few days ago, has been arrested. He is said to be a lad about 14 years old.—He entered the office by climbing into a window.

The trial of the St. Louis murderers, commenced in the criminal court at that place, on the 21st ult.
