a true poet, of one who is destined to render him. for "decay's effacing fingers," - a prey to "darkmoral to it, an inspiration, which should stir up of the fattest rats we ever beheld!-Pic. the soul of every liberal minded and intelligent being:-Boston Transcript.

ADVANTAGE OF TAKING A NEWSPAPER. I knew two friends, as much alike As e'er you saw two stumps; And no phrenologist could find A difference in their bumps.

One took the papers, and his life Was happier than a king's; His children all can read and write, And talk of men and things.

took no papers, and trolling through the wood, A treatell down upon his crown, And hurt as it should!

Had he been reading of the news At home, like neighbour Jim, I'll bet a cent this accident Would not befallen him!

A DEATH BED SCENE.

Leaves have their time to fall. And flowers to wither at the north wind's breath. And stars to set—but all. Thou hast all seasons for thine own, oh, Death! MRs. HEMANS.

There is at all times something inexpressibly sad and mournful in witnessing the departure of the bier," which gives birth to cheering reflecties of earth, and the comparative felicity of those who have succeeded to a heritage of immortality in heaven; still the survivor, in proportion to] one having no hope, or experience the chill be numbing influence which follows a remainted manufacture of the state o ence to die." But there are timetal is peculiarly affecting, when around parted, there is thrown a till cilian and gloom, through which pe may struggle in vain to penetral

A short time since, near the heur of we were walking down one of our most quiet and unfrequented streets. An hour before one of the guardians of the night had preceded us, and extinguished the bright flames of the gas, which since nightfall had struggled so ambitiously to emplate the wan queen of the night. It was by | Present-Judges Brice, Nisbet and Worthington. | your national defence. [Cheers.] no means a dark evening—the moon rode full in the heavens, reflecting upon earth and earthly things more than earthly glory, bathing all obnal radiance. We stopped and gazed upward up-

on the firmament, "Bespangled with its isles of light."
