For the Proprietors. The following letter to the Azent, exhibits the superiority of the Camphine over Gas or Oil light, in bril-

liancy and cheapness: New York, March 23, 1810. DEAR SIE-I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB's PATENT LAMP, in my epinion, is much superior to light than Gas or Oil. I have burned Oil for five years, Gas for eleven, and Webb's Camphine for 20 months. I have a better light in my bar-room with five of Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use. THOMAS RILEY.
