BALTIMORE CLIPPER.

TRIBUTE TO THE MEMORY OF THE LATE REV. GEO. G. COOKMAN.

The following preamble and resolutions were unanimously adopted at the second Quarterly Meeting Conference of the Wesley Chapel Station for the present year, held on the 7th day of June, 1841:

Whereas it has been ascertained that our beloved brother, GEORGE G. COOKMAN, who so lately labored among us as a minister in holy things, and who, we trust, has here many seals to his ministry, left this country in the steamship President, to pay a filial visit to his native country; that since his departure nothing definite has been heard of him or the ship in which he sailed, and it is highly probable she with all on board has, in the dispensation of Providence, been lost: therefore.

1. *Resolved*, That, as in all probability our beloved brother G. G. COOKMAN has been taken from us by an allwise though inscrutable Providence, we bow with humble submission to His holy will, who giveth life and taketh it away, and whose holy name we feel bound to praise and adore, though we at the same time deeply lament that one so useful, so vigorous, so eloquent in the cause of God, should be among us no more to call to "come up to the help of the Lord, to the help of the Lord against the mighty;" and though his body sleeps beneath the surface of the ocean, we trust his spirit is now redeemed, regenerated, and with his Saviour, in whose cause he so zealously labored.

2. *Resolved*, That we as a body and as individuals, who well knew the worth of our beloved brother and the ardent affection he entertained for his family, do deeply and sincerely sympathize with that family in their affliction and the irreparable loss they have in all probability sustained.

3. *Resolved*, That we offer our most affectionate condolence to the family and friends of our late beloved pastor, and pray fervently that the grace of God may be sufficient to sustain them under this deeply afflictive dispensation; that all may work together for their ultimate good, and that a happy meeting may be in reservation for them in the kingdom of eternal bliss.

4. *Resolved*, That, while memory lasts, we will bear testimony to the faithful manner in which he discharged his duty as a pastor while he labored among us, and to the earnest and eloquent appeals he made to sinners to "flee the wrath to come."

5. *Resolved*, That, in testimony of our sincerity in what we have above expressed, we earnestly and affectionately invite a co-operation of his brethern and friends elsewhere in making provision for the proper care and nurture of his afflicted family.

6. *Resolved*, That a copy of the above preamble and resolutions be forwarded to sister Cookman and to his father, and that the same be published in the papers of this city and in the Christian Advocate and Journal of New York.

EDMUND DORSEY, *P. E.*
JOHN DAVIS, *Pastor.*

WASHINGTON, JUNE 19, 1841.

BALTIMORE MARKET, JUNE 22.

FLOUR.—There is a slight improvement in the price of flour. Howard-st. commands $5.25 for good common brands. The wagon and car price we quote at $5. The stock on hand is small, and the receipts light. We quote best City Mills at $5.62½a$5.75. The last sales made of Susquehanna were at $5.25. Holders, however, are asking more. The transactions are quite limited.

GRAIN.—Sales of Penn'a. wheat, red and mixed, at 120c.—no Md. at market. Sales of Md. white corn at 57a59c., and yellow at 57c.—A sale of Penn. yellow at 58c. Sales of Md. Oats at 39a41c. and Va. at 35a38c.

PROVISIONS.—Transactions in this commodity have been confined to small parcels. We quote prime western assorted Bacon at 5½a6 cents.—Hams 6a8 cents; sides 5 3-4a6 cents; shoulders 4a5 cents. We note some sales of assorted prime quality at 6 cents. The receipts continue abundant, though the demand is limited. We have not been apprized of any transactions in Balt. bacon. We have no alteration to make in barrel meats. Baltimore Mess Beef is held at $12,50; No. 1. at $9, and Prime at $8, nominal. The last sale of Mess Pork was at $8, cash.—The stock of Mess and Prime is heavy with no demand. Some holders of No. 1. Western Lard are less firm and the article is now held at 7½ to 8 cents. Stock moderate.

CATTLE.—The demand for live cattle is rather inactive. We quote at $6a$7,75 per hundred lbs. as to quality, from inferior to prime. Live Hogs are in abundance, and are found to be dull sale at $4 to $4,25 per 100 lbs.

WHISKEY.—We quote Whiskey in hhds. 22 cents; and in bbls. 23½a24 cents. The wagon price for barrels is 20c., exclusive of the barrel.

THE PROGRESS OF HARRISBURG. The Harrisburg Intelligencer says: "We cannot estimate the number of new building being erected in Harrisburg at the present time. In every street there are more or less, and in many of the alleys. The new prison and the Presbyterian church are the most important public edifices. The private improvements are too numerous to be particularized at present, but we shall endeavor soon to make a list of them."

THE NEXT STEAMSHIP TO BOSTON. The Boston Times says:—"The next steamer due at this port from Liverpool is the Britannia, but as the underwriters in Liverpool may wish to place her in dock for a thorough examination, she may not be ready for her regular turn. Should such be the case, the steamship Achilles, now plying between Liverpool and Glasgow, will take her place. She is said to be one of the most splendid steam vessels that has yet been built in England.

SAM PATCH EXCELLED. Sam Patch could only jump down the Falls; but a screamer from Kentucky has laid a bet that he will swim up the Falls of Niagara, and stop on the way sufficiently long to take a chew of tobacco.

ASHORE. The ship Diana from Liverpool, was ashore on Sunday last, near the Boston Light House rocks. She was heavily ladened.

CASH FOR NEGROES.

THE subscriber being permanently located in this city, is at all times wanting to purchase likely young negroes of both sexes, for which cash and the most liberal prices will be paid. Persons having such to dispose of will find it to their interest to call on me before they sell, as they may rest assured, by doing so they shall obtain their VALUE for them. The subscriber's establishment is located on Harford Avenue, in one of the highest and most healthy parts of the city, having a free circulation of air, and a yard for exercise through the day—must necessarily be more healthy than in the centre of the city, especially in hot weather. Servants will be received for safe keeping, and every attention paid to their comfort and cleanliness, at the low rate of 25 cents per day.* Application to be made to me at my office in Calvert-st. Near Market. st., one door below Mr. Bloomer's hat store, or at my residence, or to my brother at Whitman's Eagle Hotel, Pratt-st., immediately opposite the Baltimore and Ohio Rail road Depot. JAMES F. PURVIS.
☞All communications promptly attended to.

CASH FOR NEGROES.

THE HIGHEST PRICES will at all times be given for NEGROES of both sexes, that are slaves for life, and good titles. My office is in PRATT STREET, No. 85, between Sharp and Howard streets, where myself or my Agent, (Mr. J. M. WILSON,) can be seen at all times. All persons, having Negroes to sell, would do well to see me before they dispose of them, as I am always buying and forwarding to the New Orleans market. I will also receive and keep Negroes at twenty-five cents each, per day, and forward them to any Southern port, at the request of the owner. My establishment is large, comfortable and airy, and all above ground; and kept in complete order, with a large yard for exercise; and is the strongest and most splendid building of the kind in the United States. And as the character of my house and yard is so completely established, for strength, comfort and cleanliness, and it being a place where I keep all my own, I will not be accountable, for the future, for any escapes of any kind from my establishment.

MOFFAT'S LIFE PILLS
AND VEGETABLE BITTERS.

THE perfectly safe, unerring and successful treatment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered beyond all hope by their medical attendants.—Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens.
The Life Medicines are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription; in Fever-and-ague, Inflammation, Fevers of every description, Sick headache, heartburn, dizziness in the head, pains in the chest, flatulency, impaired appetite, in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt greatly superior to any other mode of treatment.
All that Mr. Moffat asks of his patients is to be particular in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he himself may say in their favor, that he hopes to gain credit, it is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the life medicines will suit his own case? If so let him call or send to Mr. Moffat's agent in this place, and procure a copy of the Medical Manual, designed as a domestic guide to health, published gratuitously. He will here find enumerated very many extraordinary cases of cure; and perhaps some exactly similar to his own. Moffat's medical office in New York, 375 Broadway, and for sale by the Agents. JAS. All those desirous of obtaining a clean, brilliant, and economical light, will find it greatly to their advantage by calling on the subscriber. For the Proprietors.

The following letter to the Agent, exhibits the superiority of the Camphine over Gas or Oil light, in brilliancy and cheapness:

New York, March 23, 1840.

DEAR SIR—I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB'S PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine produces better light than Gas or Oil. I have burned Oil for five years, Gas for eleven, and Webb's Camphine for 20 months. I have a better light in my bar-room with five of Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use.
Yours respectfully, THOMAS RILEY,

BALTIMORE LOCK DISPENSARY,
No. 17 HARRISON ST.
"NO CURE NO PAY."

DR. HUNTER'S RED DROP. This long established and highly valuable medicine is now no novelty. It has been before the public for a long time, and by its merits alone, has it risen to a degree of estimation not enjoyed by any other medicine, for the certain cure of the Syphilitic disease. Prompt and effectual in action, yet harmless to the constitution, is its well established character, having never failed to give entire satisfaction in all the many thousand cases, where it has been used as directed.—These absolute and undeniable facts speak trumpet-tongued to the afflicted, and are the basis of a well founded hope of the philanthropist, that this unequalled medicine may circulate far and wide for the benefit of the human race.
This medicine gives the prodigal a chance to repent. Thousands have been saved and radically cured, after suffering under the hands of impostors, by this medicine, and who with grateful hearts are ready to attest to its value, and have allowed themselves to be referred to.
Persons residing at any distance, can have medicine sent to them, packed secure from observation.
It was out of pure motives of philanthropy, that this medicine was first made public; the price always to remain $1 per Bottle, to be within the reach of the most unfortunate.
☞Letters addressed, (post paid) describing the case, mode of living, &c. will be promptly attended to. Direct No. 17 Harrison street.

TRAVELLERS FOR THE SOUTH, are informed that, by taking the Cars at Baltimore for Washington at 9 A.M., they proceed, without one moment's delay, via Washington, Fredericksburg, Richmond, Petersburg, Weldon, and Wilmington, N. Passengers for Richmond and Petersburg will find this Line far the most expeditious, arriving at Richmond to lodge, (as will be seen from the above Schedule,) on the evening of the day on which they leave Baltimore, being from 16 to 18 hours in advance of those taking the Bay Steam Boats.
