THE BALTIMORE
WEEKLY CLIPPER,

One of the most popular Weekly Papers in the State of Maryland, is furnished at the very low price of ONE DOLLAR per year, of 52 numbers.

It is also offered at the following very low rates to clubs:

For a remittance of $5.00, SIX copies will be sent for one year.

For a remittance of $10.00, Thirteen copies will be sent for one year.

For a remittance of $20.00, Twenty-seven copies will be sent for one year.

To secure the advantages here offered to Clubs the full amount of payment to each Club must be remitted at the same time in advance.

No paper will be sent from the office to any person until it is paid for in advance, and will always be discontinued as soon as the advance payment expires without respect to persons.

These prices offer great inducement for the formation of Clubs, and we confidently assert that a paper of the same size, as handsomely printed, and of as varied contents, cannot be had cheaper in the United States. It embraces all the important contents of the daily, with the exception of the advertisements, together with an

ACCURATE WEEKLY PRICE CURRENT.

In order to enable the proprietor to furnish the Weekly Clipper at the low rates mentioned, he has adopted the

CASH SYSTEM EXCLUSIVELY!

The Money must, therefore, be paid in every instance in advance. The rule is indispensable to prevent loss.

The aim of the proprietor is, to furnish a *First Rate Family and Business Paper*, embracing whatever may be interesting, amusing and instructive, together with a full account of the very interesting war news.

PARTICULAR NOTICE.

No money will be received unless remitted in United States notes, and the full amount for the club named must be sent.

PROPOSALS.

PROPOSALS FOR BUILDING AND EQUIPPING TWO FIRST CLASS AND TWO SECOND CLASS LIGHT-VESSELS.

TREASURY DEPARTMENT,
Office Light-House Board,
Washington City, July 11th, 1864.

Separate sealed proposals will be received at this office until 12 m., on Saturday, the 13th of August, 1864, for building and equipping two first class light-vessels of the following dimensions:

Length from after *f*ore*f*oot s*t*e*m* post to the rore side of main stern post, 87 feet; breadth, of beam, moulded, 23 feet 8 inches; depth of hold from top of lumber strake to top of beam, 10 feet 6 inches; tonnage about 150

The white oak to be of the best sea-coast timber, and the yellow pine of the finest grain and purest southern timber. The printed specifications by which the vessels are to be constructed, and which will, with the drawings and plans, be attached to and form a part of the contracts, can be had on application to the Light-house Board, or to the Light-house Inspector at Portland, Boston, New York, or Philadelphia, at which places also the plans and drawings may seen and examined.

The Board reserves the right to reject any proposal, or to refuse to receive any vessel not built in accordance with the specifications, contract and to contract will be published. No binding bid it shall have been approved by the Hon. secretary of the Treasury. No proposal will be received or considered, unless from persons engaged in ship building, and each offer must be accompanied by the signatures of two responsible persons as sureties for the faithful fulfilment of the contract

Each vessel must be distinctly specified, with the sum for which the bidder proposes to build and equip her according to the drawings and specifications, and a copy of the printed specifications must be enclosed by each bidder, as evidence that there is no mistake as to the object of his proposal.

A portion of the vessel contracted for will be furnished to the contractor, to which he will be required to adhere strictly; to this end the moulded loft lines will be taken off and the mould examined by the superintending officer, who will be assigned to the duty in this Board, with the approval of the Secretary of the Treasury, and who will be required to certify that the work required and the materials used are in strict conformity to the terms and specifications of the contract, and who must certify to the same in writing, before the vessel will be received, and payments authorized to be made.

Persons making proposals to build any of these light-vessels may suggest any change or alteration by which the cost will be lessened, without using inferior materials, and in making such suggestions the precise character of the change or alteration will be stated, with the amount saved thereby. The proposals for each vessel will state the time required to complete the vessel and deliver it to the agent of the Board at such place as may be agreed upon; the same to be named in the *bid*. All proposals must be sealed and endorsed "*Proposals for building light vessels*," and then inclosed in another envelope, addressed to the Secretary of the Light-house Board, Washington, D. C.

No bid will be considered that does not conform in the requirements of this advertisement.

Any person submitting a proposal may be present, and witness the opening of the bids at the time and place hereinbefore specified.

By order of the Light-house Board.

W. B. SHUBRICK,
Chairman.

PROPOSALS
FOR MATERIALS FOR THE NAVY.

NAVY DEPARTMENT,
Bureau of Steam Engineering, July 10, 1864.

SEALED PROPOSALS to furnish materials for the navy for the fiscal year ending June 30, 1865, will be received at the Bureau of Steam Engineering, until 10 o'clock of the 12th day of August next, at which time the opening will be commenced.

Proposals must be endorsed "Proposals for Materials for the Navy," that they may be distinguished from other business letters, and directed to the Chief of the Bureau of Steam Engineering.

The materials and articles embraced in the classes named are particularly described in the printed schedules, any of which will be furnished to such as desire to offer, on application to the commandants of the respective yards, or to the navy agents nearest thereto, and those of all the yards upon application to the Bureau.

The division into classes being for the convenience of dealers in each, such classes only will be furnished as are actually required for bids. The commandant and navy agent for each station will, in addition to the schedules of classes of their own yards, have a copy of the schedules of the other yards, for examination only, from which may be judged whether it will be desirable to make application for any of the classes of those yards. All other things being equal, preference will be given to articles of American manufacture.

Offers must be made for the whole of the class at any yard, upon one of the printed schedules, or in strict conformity therewith, or they will not be considered.

Upon application to the Bureau, to the commandant of any yard, or to any navy agent, the form of offer, of guaranty, and other necessary information respecting the proposals, will be furnished.

The contract will be awarded to the lowest bidder who gives proper guarantees, as required by the law of 10th August, 1846; the Navy Department reserving the right to reject the lowest bid, if deemed exorbitant.

The contracts will bear date the day the notification is given and deliveries can be demanded from that date.

Sureties in the full amount will be required to sign the contract, and their responsibility certified to by a United States district judge, United States district attorney, collector or navy agent. As additional security, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed, and eighty per centum of each bill, approved in triplicate by the commandants of the respective yards, will be paid by the Navy Agents at the points of delivery, in funds or certificates, at the option of the Government, within ten days after the warrant for the same shall have been passed by the Secretary of the Treasury.

The following are the classes required at the respective navy yards.

A DAILY MEDICAL DISCOVERY.

Every Family should have it. The public are respectfully invited to call upon the proprietress, MRS. COX, 186 E. BALTIMORE STREET, and receive numerous certificates of remarkable cures recently effected by it in this city.

Mrs. M. Cox—I hereby certify that my sea sickness was addicted with a sleepless disorder on its right foot as a matter for past two years, he (Dr. Hall) recommended to try your "Indian Vegetable Dissection." I did so, and, upon his taking a few bottles, a change in the disease was seen, and after he had taken a few more bottles he feet healed up, and he is now well and free regularly to sea.

ESTHER NEWMAN.

The facts in the above are correctly stated to me by Esther Newman.

SPRING DEBILITY!
LANGUOR, LASSITUDE,
AND THAT
LOW STATE OF THE SYSTEM
Peculiar to the SPRING TIME OF YEAR, are immediately relieved by the
PERUVIAN SYRUP,
Or Protected Solution of PROTOXIDE OF IRON.
THE PERUVIAN SYRUP
supplies the blood with its vital principle, the
LIFE ELEMENT, IRON,
Infusing Strength, Vigor and New Life into all parts of the System.

One of the most Distinguished Jurists in New England writes to a friend as follows:

"I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a NEW MAN of me; infused into my system a NEW VIGOR and STRENGTH; I am no longer tremulous and debilitated as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

A eminent Divine of Boston says:

"I have been using the PERUVIAN SYRUP for some time past; it gives me NEW VIGOR, BOUYANCY OF SPIRITS, ELASTICITY OF MUSCLE."
