NATT DEPARTMENT.

for the Navy, for the year ending 30th June, 1864, will be received at the Bureau of Equipment and Recruiting until the Thirteenth day of Angust next at 10 o'clock, A. M., when the bids will be epened, without regard to any accidental detention of mails or other causes The materials and articles embraced in the class es named are particularly des ribed in the printer schedules, any of which will be furnished to such as desire to effer, on application to the count mendants of the respective yards, or to the nav agent abarest therete, and these of all the yards upon application to the Bureau. This division into classes being for the convenience of dealers in each, such portions only will be furnished as are actually required for blds. The commandant and navy agent of each station will, in addition to the schedule of classes at their own yards have a copy of the schedules of the other yards for exemination only, from which it may be judged whether it will to desirable to make application for any of the classes of those yards. Offers must be made for the whole of the class at any yard upon one of the printed schedules, or in strict conformity therewith or they will not be considered. In computing the classes, the price stated in the column of prices will be the standard, and the aggregate of the class will be carried

substitution of figures, and to see that the amounts are correctly carrie . out. The contracts will be awarded to the lowest been file bidder who gives proper security for its fuldilment. The bureau reserves the right to reject all the bids for any class, if deemed exerbi-All articles must be of the very best quality, to so delivered in the navy-yards in good order, and in suitable vessels and packages, properly mark. ed with the name of the contractor, as the case may be, at the expense and rack of the contractor, and in all respects subject to the inspection, measurement, count, weight, &c., of the hayard where receives, and to the entire satisfaction of the commandant thereof

It is requested of bidders to avoid erasures and

out according to the prices stated.

Bidders are referred to the commandants of the respective yarus for sumples, instructions, of tatticular description of the articles; and all other things being equal, preserence will be gifth to articles of American manufacture. Recey offer, as required by law of loth August. 1845, must be accumpanied by a written guaranty. the form of which is hereinaker given, and also by a certificate signed by the collecter of internal revenue for the district in which he recides, that he has a license to deal in the articles which he proposes to furnish; or by an affidavit signed by almself and sworn to before some magistrate authorized to administer such eath, that he is a manufacturer of, or regular dealer in, the articles he offers to supply, and has a license as such manufacturer or dealer. Those only whose offers may be accepted will be notified, and the contract will be forwarded

as soon thereafter as practicable, which they will

be required to execute within ten days after its recript at the post office or navy agency named by them. The contracts will bear date the day the notification is given and deliveries can be demanded. . Sureties in the full amount will be required to sign the cuntract, and their responsibility certified to by a United States District Judge, United States District Auorney, Collector, or Navy Agent. As additional security, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed; and eighty per centum of each bill, approved in triplicate by the commandants of the respective yards, will be paid by the Lavy sgent at the points of delivery-unless requested by the contractor to be paid at another havy agency-within ten days after warrants shall have been passed by the Secretary of the Treasury. It is supulated in the contract that if default be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for in the contract, or the quality at auch time and places above provided, then, and in that case the contractor and his sureties will forfeit and pay to the United States a sum of money not exceeding twice the amount of such class, which may be recovered from time to time,

of the Bureau of Foul, ment and Recruiting, Navy Department, Washington, D. C." FORM OF OFFER, Which, from a firm, must be signed by all the 1. --- of --- in the State of --- hereby sgree to jurnish and deliver in the respective LATY Tards all the articles named in the classes hereto annexed, agreeably to the provisions of the schedules therefor, and in conformity with the advertisement of the Bureau of hanipment and kecruiting, dated July 18th, 1664. Should my offer be accepted, I request to be addressed at ---- and the contract sent to the navy agent

according to the act of Congress, in that case

tinctly endorsed on the outside, "Proposals for

name the yard.)" and addressed "To the Chief

No blue for more than one yard must be en-

provided, approved March 3, 1819

at ----, or to ----, for signature and certificate, (Signature) The schedule which the bidder encloses must be pasted to this offer, and each of them signed by him. Opposite each article in the schedule "the price must be set, the amount be carried out, the aggregate footed up for each class, and the amount likewise written in words.
