NAVY DEPARTMENT

BUREAU OF EQUIPMENT AND EXCRUITING,

SEALED PROPOSALS to furnish meterials

for the Navy, for the year ending 30th June, ment and Recruiting until the Thirteenth day o August next, at 10 o'clock, A. M., when the bids will be opened, without regard to any accidental detention of malls or other causes. The materials and articles embraced in the clas \$3 Exmed are particularly destribed in the prints schedules, any of which will be furnished to such as: desire to offer, on application to the chi mandants of the respective yards, or to the nav agent nearest thereto, and those of all the yards upon application to the Bureau. This division in each, such portions only will be furnished are actually required for bids. The commandintand nevy agent of each station will, in addition to the schedule of classes at their own yards have a copy of the schedules of the other yards for examination only, from which it may be judged whether it will be desirable to make aplication for any of the classes of those yards Offers must be made for the whole of the class at any yard upon one of the printed schedules, or in strict conformity therewith or they will not b considered. In computing the classes, the price stated in the column of prices will be the standard, and the aggregate of the class will be carried out according to the prices stated It is requested of bidders to avoid erasures and

substitution of figures, and to see that the amounts ire correctly curied out. The contracts will be awarded to the lewer one Ade bidder who gives proper security for its uldilmost. The bureau recerves the right to reect all the bids for any class, if decraed execht All articles must be of the very best quality, to

e delivered in the navy-yards in good order, an n suitable vessels and packages, properly mathior, and in all respects subject to the inspection where receives, and to the entire satisfaction of the commandant thereof. Bidders are referred to the commandants of the respective yers for samples, instructions, s particular description of the articles; and all other things being equal, preference will beriven to articles of American manufacture. Every offer, as required by law of loth August the form of which is hereinafter given, and also by a certificate signed by the collector of interna evenue for the district in which he residue, that to has a ficense to deal in the atticles which h proposes to fernish; or by an amdavit signed by nimies order to before some magistrate anthbresed to saminister such coch, that Le is manufacturer of, or regular dealer has the critical he offers to supply, and has a license as such manufacturer or dealer. Those ealy whose offers may be accepted wil be notified, and the contract will be forwarded.

as soon thereafter as practicable, which they will be required to execute within ten days after its receipt at the post office or navy agency named The contracts will bear date the day the notifcation is given and deliveries can be demanded. Sureties in the full amount will be required to sign the contract, and their responsibility certified to by a United States District Judge, United States District Attorney, Collector, or Navy Agent. As additional security, twenty per consum will be withheld from the amount of the bill until the contact shall have been completed; and eighty por contain of each bill, approved in triplicate by the commandants of the respective sards, will be paid by the par yagent at the points of delivery-unlast sequested by the contractor to be paid at another many agency-within ten days after warrants shall have been passed by the Secretary of the Treasury. It is stipulated in the contract that if default be made by the parties of tho first part in delivering all or any of the articles mentioned in any class bid for in the contract or the quality at

such time and places above provided, then, and in that case the contractor and his sureties will forfeit and pay to the United States a sum e money not exceeding twice the amount of such class, which may be recev-red from time to time, according to the act of Longress, in that case provided, approved March 3, 1844 No bale for more than one yard must be, or closed in one envalement the same must be distinctly endersed ow the entelde, "Proposals for Materials for the Navy, for the Navy-yard at name the yard.)" and addressed "To the Chief of the Bureau of Feetument and Recruiting.

Navy Department, Washington, D. C." FORM OF OFFER, Which, from a firm, must be signed by all the members. I. --- of --- in the State of --- hereby agree to furnish and deliver in the respective navy yards all the articles named in the classes hereto ambazed, agreeably to the provisions of the schedules therefor, and in conformity with the advertisement of the Bureau of Equipment and Mecruiting, dated July 18th, 1864. Should my offer be accepted, I request to be edgressed at ----, and the contract sent to the navy agent it ----- or to ----- for alguature and certificate.

Witness. The schedule which the hidder encloses must se pasted to this offer, and each of them signed by him. Opposite each article in the schedule the price must be set, the amount be carried out the aggregate footed up for each class, and the amount likewise written in words. If the perties who blu do not reside near the place where the articles are to be delivered, they must name in their offer a person to whom orders on them FUBM OF GUARANTY

(Signature) . A. B.

The undersigned, ----, of ----, in the State of ----, and ----, of ----, in the State of ---- hereby guarantee that in case the foregoing bid of ---- for any of the classes therein named be accepted, he or they will, within ten days after the receipt of the contract at the post office named, or navy agent designated, execute the contract for the same with good and sufficient sureties, and in case the said - shall fail to enter into contract, as aforesaid, we guarantee to make good the difference between the offer of the said - and that which may be accepted. (Signatures of two guaranters.)

I hereby certify that the above named ---are known to me as men of property, and able to make good their guaranty
