Revelation of a Murder Concealed for Dearly Three Years. The Laporte (Ind.) Democrat contains long account of the arrest of a man named Hteits, in that county, for a murder com mitted in August of 1861, nearly three years ago. The facts in brief are these: Buitz was building a saw-mill a few miles north of Laporte, and had in his employ a man named Von Jesseds, both being Germans. These man had frequent quarrels about money which You Jesseds alleged that Stellz owed him for work done, and refused to pay. The The increase in the receipts | the habit of sleeping in a hay-mow, Steitz | business house in New York, new in Paris,

On the morning of the 19th of August the tem is becoming so perfect that the nextyear, old quarrel was renewed, and the men got to | sning the human hair. This justly celebrated commencing with July, 1864, the revenues of scuffling in the mow, and finally both fell | hair dressing has occasionally found its way to the Government are confidently expected to through to the barn floor, Von Jesseda not the totters of quite a number of our most fash. reach the enormous sum of four hundred mil. Deing get dressed. You. J. ran to the house, lonable ladies who have been traveling in Enhis hand blooding. Steitz followed him, and Tope, or who have had it sent to them by their lions of dollars. Mr. Fessenden says, more as soon as he came within reach struck him a briefle bnown. It is removed by those in the Over, that even now the receipts reach a mil- severe blow on the head with an iron bar lion a day; and the taxes are so laid that the which be had picked up, knocking him down ous sum of one hundred thousand dollars, and country may hardly be said to feel it, except senseless. Being near the cellar-way when he so unbounded is the confidence of the proprietors in the items of foreign importation will supersede in the items of foreign importations, which and, fearing that his work was not fully as | all others of the kind in the American market, have been enhanced in price in consequence complished, he followed down, and pounded that they are making the most extensive prepar of the advance of gold, which is now reced. | the body with a board for some time. The ing, and which will, ere long, be reduced to whole transaction at the house was witnessed with a few applications, produce a head of half a very low figure in comparison to what it is sleep by the noise at the door. Bhe endeavorled to dissuade her brother from his purpose These facts are given by the Honorable but he rudely thrust her back into another part of the room. After he had beaten the is so firmly established, that we question if leaving the body where it fell. He then left body some time, he came out of the cellar,

As soon as Mary Steitz could dress herself store in his place, let him write to me, to Maide and get ready, she left the house, and went to a house where Jacob Francen was working to whom she was engaged to be married. Hhe mike as much profit as on other persons' make. told him all that had happened, and that she | 35 cents, 85 cents, and \$1.40 per box 87 pot. jyy was afraid to remain there any longer unless he was there. They agreed to get married soon, possibly the next day. The day after | nivrly cautioned against being deceived by some the occurrence they went back to the house, persons who, from ignorance, seifish motives or Intere t. BUREAU OF EQUIPMENT AND RECLUITING.

SEALED PROPOSALS to furnish materials

for the Navy. for the year ending 30th June.

DEOPOSALS FOR MATERIALS FOR THE NATE DEPARTMENT

1864, will be received at the Bureau of Equip ment and Recruiting, until the Thirteenth day o Augustnext, at 10 o'clock, A. M., when the bids will be opened, without regard to any accidental detention of mails or other causes. The materials and articles embraced in the class-148 mamed are particularly described in the printed schedules, any of which will be furnished to such as decire to offer, on application to the come-He I tion to the schedule of classes at their own yard have a copy of the schedules of the other yard for examination only, from which it may judged whether it will be destrable to make at plication for any of the classes of those yard Offers must be made for the whole of the clas at any yard upon one of the printed schedules, or in strict conformity therewith or they will not be stated in the column of prices will be the standard, and the aggregate of the class will be carried I out according to the prices stated, It is requested of bidders to avoid erasures and substitution of figures, sad to see that the amount are carrectly carrie | out.

bone fide bidder who gives proper security for its fulfillment. The bureau reserves the right to reliect all the bids for any class, if deemed except All atticles must be of the very best quality, to be delivered in the navy-yards in good order, and In suitable vessels and packages, properly marked with the name of the contractor, as the case may be, at the expense and risk of the contractor, and in all respects subject to the inspection measurement, count, weight, &c., of the hayard where received, and to the entire satisfaction of the commandant thereof. Bidders are referred to the commandants of the respective yards for simples, instructions, or particular description of the articles; and all other things being equal, preference will be

The contracts will be swarded to the lowest

to atticles of American manufacture. Every offer, as required by law of leth August 1846, must be accompanied by a written guaranty, the form of which is hereinafter given, and also by a certificate signed by the collector of internal revenue for the district in which he resides, that he has a license to deal in the articles which he proposes to furnish; or by an affidavit signed by nimself and sworn to before some magistrate authorized to administer such oath, that he is s manufacturer of, or regular dealer in, the articles he offers to supply, and has a license as such manufacturer or dealer. Those only whose offers may be accepted will be notified, and the contract will be forwarded

as soon thereafter as practicable, which they will be required to execute within ten days after its receipt at the post office or navy agency named The contracts will bear date the day the notification is given and deliveries can be demanded. Eureties in the full amount will be required to sign the contract, and their responsibility certified to by a United States District Judge, United States District Attorney, Collector, or Navy Agent. As additional security, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed; and eighty per centum of each bill, approved in triplicate by the commandants of the respective yards, will be paid by the navy egent at the points f delivery-unless requested by the contractor to be paid at another navy agency-within ten days after warrants shall have been passed by the Secretary of the Treasury. It is stipulated in the contract that if default be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for in the contract, or the quality at

such time and places above provided, then, and in that case the contractor and his sureties will forfeit and pay to the United States a sum of money not exceeding twice the amount of suc) class, which may be recovered from time to time, according to the act of Congress, in that case provided, approved March 3, 1841. No blus for more than one yard must be enclosed in one envelop, and the same must be distinctly endorsed on the outside, "Proposals for Materials for the Navy, for the Navy-yard at name the yard.)" and addressed "To the Chief f the Bureau of Equipment and Recruiting, Navy Department, Washington, D. C."

Which, from a firm, must be signed by all the I, ---, of ---, in the State of ---, hereby agree to furnish and deliver in the respective pavy yards all the articles named in the classes hereto annexed, agreeably to the provisions of the schedules therefor, and in conformity with the advertisement of the Bureau of Equipment and Kecraiting, dated July 18th, 1864, Should my offer be 'accepted, I request to be addressed t ---- and the contract sent to the navy agent at -----, or to -----, for signature and certificate.

FORM OF OFFER,

The schedule which the bidder encloses must se pasted to this offer, and each of them signed by him. Opposite each article in the schedule the price must be set, the amount be carried out the aggregate footed up for each class, and the amount likewise written in words. If the parties who bid do not reside near the place where the articles are to be delivered, they must name in their offer a person to whom erders on them

are to be delivered FURM OF GUARANTY. The undersigned, ----, of ----, in the State of ----, and ----, of ----, in the State of ....... bereby guarantee that in case the foregomg bid of ---- for any of the classes therein named be accepted, he or they will, within ten days after the receipt of the contract at the post office named, or navy sgent designated, execute the contract for the same with good and sufficient streties, and in case the said ---- shall fall to enter into contract, as aforesaid, we guarantee to make good the difference between the offer of the said ---- and that which may be accepted. (Signatures of two guarantors.)

I hereby certify that the above named ----are known to me as men of property, and able to make good their guaranty; To be signed, by the United States District Judge, United States District Attorney, Collector, The following are the classes required at the
