DYSENTERY DIARRHEA STRUP. WM. H. READ'S

COMPOUND CONCENTRATED SYRUP OF BLACKBERRY BOOT. For Diarrhera, Dysentery, Cholera Morbus, Cholera Infantum, Summer Disease, or for Children's Teething, this truly valuable Syrup stands without an equal, as thousands of our citizens can testify. It not only checks the bowels, but corrects and regulates them, thus obvisting the necessity of any other medicine. Capt. Wedge, who now resides No. - Fayette street, formerly in command of the bark Wenhan, a vessel owned by Messrs Jas. Corner & Sons, had on board seven men, including himself, ill, very ill with dysentery. He treated them solely with Wm. H. Mead's COMP BLACK-BERRY SYRUP, and in a few days, strange at it may seem, he had them perfectly well. I got this from his own lips. The price is 50 cents per bottle.

Manufactured only by WM. H. READ, 147 Baltimore street, under Carroll Hall, one deer east of Calvert street.

CREAM SYRUP MINERAL WATER. This is the most elegant drink we know of.

WM. H. READ has fitted up, at great expense, a most magniticent Mineral Water Fountain. The syrups are all made of the pure, fresh juice of the fruit; the water is always icy cold, and generated in pure porcelain sountains; thus making it one of the most attractive places in the city. We would like the readers of the Culpper to call and sec, or rather taste, for themselves. Remember, 1 147 Baltimore street, one door from Calvert. HAIR RESTORER. HAIR RESTORER.
