## PROPOSALS. PROPOSALS FOR MATERIALS FOR THE NAVY. NATY DEPARTMENT, Bureau of Steam Engineering, July 10, 1864.

CEALED PROPOSALS to furnish materials for the navy for the fiscal year ending June 30, this, will be received at the Bureau of Stean Engineering, until 10 o'clock of the 19th day August next, at which time the opening will be commenced. Proposals must be endocted "Proposals for Materials for the Navy," that they may be distinguished from other business letters, and directed to the Chief of the Bureau of Steam Engineering.

The materials and articles embraced in the classes named are particularly described in the printed schedules, any of which will be furnished to such as desire to offer, on application to the commandants of the respective yards, or to the navy agent nearest thereto, and those of all the yards upon application to the Bureau. The division into classes being for the convenience of dealers in each, such classes only will will with the drawings and plans, be attached be furnished as are actually required for bids.

The commandant and navy agent for each station will, in addition to the schedule of classes of their own yards, have a copy of the schedules of the other yards, for examination only, from which may be judged whether it will be desirable to make application for any of the classes of those yards. Att other things being equal, preference will be given to articles of American manutac- and no contract will be considered binding until tary of the Treasury. No proposal will be re-()ffers must be made for the whole of the class at any yard upon one of the printed schedules, ceived or considered, unless from persons en-

or in strict conformity therewith, or they will gaged in ship building, and each offer must be acnot be considered. Upon application to the Bureau, to the Com- persons as sureties for the faithful fulliment of mandant of any yard, or to any Navy Agent, the the contract form of offer, of guarantee, and other necessary information respecting the proposats will be fur- the sum for which the bidder proposes to build tant The contract will be awarded to the lowest bid- specifications, and a copy of the printed specifi- be delivered in the navy-yards in good order, and

if deemed exorbitant.

The contracts will bear date the day the notification is given and deliveries can be demanded required to adhere strictly; to this end the mould where received, and to the entire satisfaction of from that date. Sureties in the full amount will be required to b sign the contract, and their resposibility certified \ to by a United States district judge, United States proval of the Secretary of the Treasury, and who particular description of the articles; and all district attorney, collector, or navy agent. As additional security, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed; and eight; per centum of each bill, approved in triplicate by the commandants of the respective yards, will he paid by the navy agents at the points of delivery, in funds or certificates, at the option of the Government, within ten days after the warrant for the same shall have been passed by the using inferior materials, and in making such sug- nimtelf and aworn to before some magistrate 1.10 p. m. train.
